## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the advancement of environmental protection or improvement'

**What the charity does:** MVT was set up to improve the quality of life for everyone living and working in Muthill. The Trust works on the priority projects and themes identified by the community and set out in the Muthill Community Action Plan. Themes in the current plan (valid 2024-2029) are 1) Community and Recreational Facilities - this is being actioned via the Muthill Community Hub project 2) Housing and Infrastructure - the Trust has joined Community Energy Scotland and is exploring opportunities around community benefit from local renewable projects 3) Village Shops and services - this theme is being addressed through the Hub project 4) Environment and Heritage - the Trust still hopes to progress the second phase of its cycle path completing a link to Crieff despite funding challenges. Preserving Muthill's heritage is also part of the Hub project 5) Roads and Transport - the Trust has worked with Muthill Community Council to improve road safety and traffic calming measures in the village.

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** The company has been formed to benefit the village of Muthill and surrounding area which is defined as the Muthill Community Council area detailed in the Perth and Kinross Scheme of Establishment of Community Councils with the following objects: To provide within Muthill recreational facilities, or organise recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended To advance environmental protection and improvement in the community

through the provision, maintenance and/or improvement of public open space and other public amenities and other environmental and regeneration projects (but subject to appropriate safeguards to ensure that the public benefits so arising clearly outweigh any private benefit thereby conferred on private landowners) To advance heritage and/ or preserve, for the benefit of the general public, the historical, architectural and constructional heritage that may exist in the Muthill area in buildings (including any structure or erection, and any part of a building as so defined) of particular beauty or historical, architectural or constructional interest To advance citizenship and/or community development (including the promotion of civic responsibility and the promotion of the voluntary sector and/or the effectiveness or efficiency of charities)

## Geography
