1. **Develop the Sunflower Sanctuary (SFS):**
Complete and expand our holistic centre for families with autism and disabilities in Jinja. The building and accessible toilets/showers are now in place.

6. **Continue the Gift of Education:**

7. **Sustain Feeding Programmes:**
Support food security for children and families with disabilities.

**Summary of the main activities
in relation to these objects**

This year, with the generous support of our donors and community, Starchild has made significant progress in Uganda — most notably with the completion of the *Sunflower Sanctuary* in Jinja. We are proud to report that the main structure — a three-classroom building with an office, wheelchair-accessible veranda— has now been finished.

Two fully accessible large disabled toilets and showers have been successfully installed, and thanks to a generous donation from the Rotary Bairds, a water tank has been fitted to support these facilities. In addition, a £5,000 donation from McDonald's has enabled us to begin work on a much-needed sensory room, which has now been measured and prepared for installation.

Our founder, Michaela, continued her fundraising and awareness efforts through 2024, giving talks across Scotland, sharing readings from her book, and offering insights into our work on the ground in Uganda.

Education remains at the heart of our mission. Our S6 pupils have completed high school and, with the exception of one student, all achieved excellent results. Many of them have expressed a strong desire to pursue higher education, and we are actively seeking funding to support their university aspirations. Meanwhile, our S5 students are entering their final year, and our primary pupil, Cyrus — a young boy with disabilities — has progressed to P5 and continues to thrive.

We also held a number of successful fundraising events locally, including a lively Rock Choir concert and an unforgettable Hoe Down night filled with country music and dance — all in support of Starchild's ongoing work. This event included an art auction with generous donations from the artist's community.

We're pleased to share that we have recently hired a Social Worker for the Sunflower Sanctuary, a vital addition to help support and guide the families we serve. We are currently working toward securing a dedicated vehicle to transport persons with disabilities (PWDs) to the centre, ensuring better accessibility and inclusion.

Starchild continues to make a profound and lasting impact on the communities we serve in Uganda, and we are deeply grateful for the support that makes this possible.

Other optional information

Due to the continued decline in Pastor Sam's health, the Board of Directors at Grace School agreed that he should step down from his position. The school has since been taken over by Bulemezi School. We are optimistic about this transition and look forward to collaborating with the Bulemezi team to support the local community and further develop arts programmes within schools.
