Report of the Trustees

FOR THE YEAR ENDED 31 MARCH 2024

Introduction

As we reflect on the past year, we acknowledge the resilience, dedication, and unwavering commitment of our charity in the face of significant challenges. The impact of the COVID-19 pandemic shaped our operations post pandemic, particularly as we transition to a more digital approach in delivering our services when engaging with our volunteers. Despite the struggles we have encountered, our focus remains steadfast: to provide essential support to the disadvantaged children of Kashmir.

Challenges and Resilience

The shift to a more digital landscape has not been without its difficulties. Many of our beneficiaries and stakeholders faced barriers to accessing digital resources, making it challenging to maintain the same level of engagement and support due to lack of funding. The transition requires investment in new technologies, training for our team, and innovative ways to reach those in need but that means crucial funding should not be a hinderance. Our volunteers have kept us providing assistance by way of knowledge transfer and engaging with other charities to assist in delivering much needed assistance necessary to alleviate poverty and hunger.

Additionally, the health of our trustees has played a significant role in shaping the past year. Several key members have faced personal health challenges, affecting their ability to contribute at full capacity. Yet, despite these difficulties, the spirit of perseverance has prevailed. Our dedicated team has stepped up to ensure that our mission continues, demonstrating the resilience that defines our charity.

Achievements and Progress

While 2024 presented many obstacles, it also reinforced the importance of adaptability and strategic focus. Some key areas of progress include:

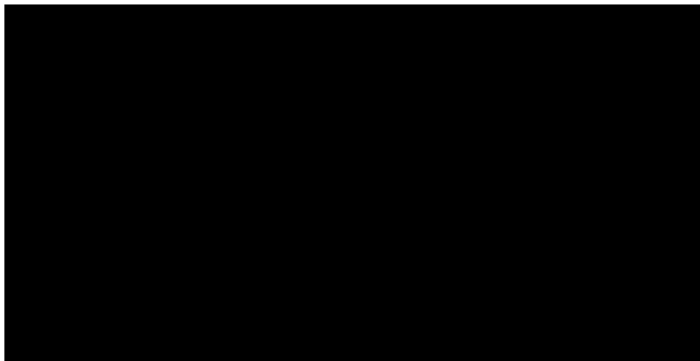

- Strengthening our digital infrastructure to improve outreach and communication.
- Continuing to provide essential aid and educational support to children in Kashmir despite logistical hurdles.
- Securing new partnerships to sustain our programs and widen our impact.
- Engaging volunteers and supporters in innovative ways to maintain a sense of community and shared purpose.

Looking Ahead to 2025

As we move into 2025, we are determined to get our charity back on track to deliver much-needed support to the children of Kashmir. Our focus will be on:

- Rebuilding and expanding our programs to pre-pandemic levels.
- Enhancing our fundraising efforts to ensure financial sustainability.
- Prioritising the well-being of our trustees and team to ensure continued leadership and stability.
- Strengthening community engagement both locally and internationally.

With renewed focus and determination, we are confident that 2025 will be a year of growth, impact, and revitalisation. We extend our heartfelt gratitude to our supporters, partners, and volunteers who have stood by us through these challenging times. Together, we will continue to make a meaningful difference in the lives of the children we serve.
