Activities and achievements

Worship

As well as celebrating Christmas, Easter and Pentecost, this year we have been looking at the Beatitudes, the 'I am' statements of Jesus and The Lord's Prayer together as a church within our Sunday gatherings. We continue to remain intergenerational and see the value of learning and hearing from God together as a church family.

In May last year, we started to host the monthly Presence worship service in Clay.

We held a joint Carol service with Victory Outreach on Christmas eve.

In March, we started a process of discernment as a church, called 'A Time to Listen' with regards to our Sunday gatherings as attendance at them is sometimes low. We spent 4 weeks discussing, praying and listening to God and one another. The outcome was that we decided from Easter to move our Sunday meeting time from 11am to 3pm. We also formed a Sunday planning team to put together the content for Sundays going forward.

Activities and achievements (continued)

Outreach, community and social activities

In April, we decided it was time to bring Board Game café to an end as attendance had been low this winter and it gives space to think about new things.

We hosted a Possilpark Partners event which consisted of many of the organisations in Possilpark and Ruchill coming together and sharing what hopes we have for the community and how we can work together more collaboratively.

In June, we had another successful church camping weekend at Port Ban campsite - 29 attended and we have already agreed that we will book for next year, same weekend.

In the new school year, an after-school music & bible group was started for primary school kids with 16 attending.

We held a Clay Christmas dinner again for all those connected or volunteering at Clay. A highlight this year was a Hogmanay Party that was organised jointly by Clay and Victory Outreach. 50 people attended on the night and we received good feedback. Attendees were a mix of people who attend Clay or Victory churches as well as people who heard about it online or connect with our cafe.

The Kintsugi Hope course came to an end this term with the group making their own Kintsugi bowls by carefully breaking bowls and fixing with glue and gold powder. It was a great way to end a journey together however many of us found the task particularly tricky!

Finance, staffing and property activities

After a successful application for an area partnership grant, we were able to have a complete New Audio system fitted in Bardowie. This included a hearing loop and cordless mic making it far more accessible for the different users of the building. Later in the year we received a grant from Benefact Trust which enabled us to complete the project by getting a new fixed projector and screen fitted. This means that the projector is visible even when the sun is shining into the building and we no longer have cables trailing on the floor.

We brought the Administrator post to an end as we felt it wasn't the best use of funds and Megan left at the end of September.

We were successful in receiving funding through Foundation Scotland to fund the cafe youth work facilitator post for the next year and to increase the post from 2 days per week to 3 days per week in partnership with Bethany Christian Trust. This will enable the cafe and training to develop more and to release Emma to focus more on community work.

5 people from the Clay leadership team and trustees attended a 2 day discussion on Sexuality and Gender hosted by the Scottish Network of Churches.

Café activities

The Cafe has been increasing in customers with a lot more regular attendees from the local community. Friday lunchtimes have been exceptionally busy which has led us to increase the table numbers. We reviewed our prices and raised them slightly - the first price increase for many of the items since we opened in 2021.

We trialled some 'Meet & Eat' community meals, advertising it by posting flyers in the local Hamiltonhill area. Attendance was lower than we had hoped and so we decided to try a different way of bringing people together.

We held some Playspace cafe specials in the summer as a way of staying connected with the families who attended Book bug & Playspace cafe.

We hosted our first Menopause Cafe on a Saturday morning and hope to continue to offer more.

Financial review

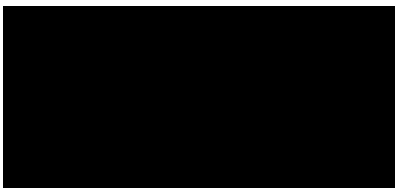

Results for the year

The financial results are set out on pages 5 to 8. As a result of the surplus for the year of £15,299 (2024: deficit of £931), the church held total reserves at 31 March 2025 of £31,977 (2024: £16,678). Of this, £12,852 (2024: £9,958) was held as general funds and £19,125 (2024: £6,720) was held in restricted funds.

Reserves

The trustees have increased our reserves policy this year due to the buildings we now own. The policy of the Church is to hold £7,000 in General Funds at any point in time to ensure there are always sufficient funds to cover expenditure as it falls due. At the year-end, this reserves policy was met.

It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
