Objectives & Activities

The Charities Charitable Purpose:

As set out in the 'Constitution' and 'The Charities and Trustee Investments (Scotland) Act 2005' the purposes of Lochend Community Growing Project SCIO are:

- *The provision of recreational facilities or the organisation of recreational activities with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended.*
- *The relief of those in need by reason of age, ill health, disability, financial hardship or other disadvantage.*

We have obtained permission from OSCR to amend our charitable purpose to the following to be more inclusive, subject to approval by our members at our AGM in August 2025 subsequent notification to OSCR to update the Scottish Charity Register:

- *The provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended through the provision of inclusive community led greenspace projects and activities in Lochend and the surrounding areas.*

Summary of the main activities in relation to these objectives:

Promoting a healthier life-style for people living in an inner-city socially deprived area through: connecting with nature, growing vegetables / fruit, healthy diet, exercise, social interaction, learning new skills at workshops and boosting self-confidence.

We run a garden with a membership for up to 53 individuals / families or community groups to have their own raised bed and share the communal polytunnel, tools and communal herb beds and forest garden produce. We also host open days and workshops throughout the year that are free and open to everyone in the community.

Achievement & Performance for 2024-25

Activities:

- July 2024 - We dismantled the compost bins, laid a new concrete base and fitted corrugated iron to the inside of the re-assembled bays.

- Nov 2024 - We replaced the chip bark mulch around the garden's perimeter border (the forest garden) and the fruit orchard to suppress weeds.

- Jan 2025 - We repaired the shed roof as best we could, and repaired the wooden fence after Storm Eowyn lifted a large section of the shed roof tiles and blew the fence over.

- Throughout the year - we repaired any raised beds where the wood had warped or rotted.

- March - May 2025 - We increased the size and depth of our pond and added a ramp at one side to make it more frog friendly and increase the biodiversity in the garden.

- March 2025 - We conducted a members survey and implemented suggestions.
- March 2025 - We became an RHS Affiliated Garden.
- April 2025 - We obtained permission from OSCR to amend our charitable purpose to be more inclusive (subject to approval at our AGM in August 2025).
