Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science'

What the charity does: Our activities are all about stimulating the local community's interest in traditional Scottish cultural heritage and encouraging voluntary participation. We achieve this by organising Dundonald Highland Games which provides various highland games contests and attractions to the public. We encourage individuals and families to get involved by organising participatory events such as a road race, football competition. and for children, fun run, pet show and fancy dress. We actively seek volunteers to assist our organisation with all aspects of these events from planning through to delivery.

Beneficiaries: 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: 4.1 to promote and preserve Scottish heritage and culture through the promotion of traditional highland games competitions, championships, events and associated activities. and 4.2 to encourage voluntary participation and increase the involvement of individuals in community activity.
