Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of environmental protection or improvement'

What the charity does: In Remake we believe in doing things differently to bring the change that is urgently needed to help tackle the climate emergency! We believe that change starts with people and we support our community to make simple, high impact behaviour changes which help to improve their carbon impact. Our services include Reuse & Repair Hubs, a community equipment library, community classes and events and a volunteer project. We have also recently launched a new project, Remake Food for Good, which revolutionises our community's relationship with food by promoting local, organic produce and encouraging people to shop plastic free.

Beneficiaries: 'Children or young people', 'Older People', 'No specific group, or for the benefit of the community'

Objectives: 4. The company's objects are: (a) The advancement of the environmental protection and improvement for public benefit by, for example: i. promoting sustainable use of material goods and resources through repair, reuse, reclamation, recycling, use of recycled products and use of surplus and leftover materials . ii. reducing the carbon emissions linked to production and consumption by encouraging reuse and reduction of consumption. (b) The advancement of education of the public about all aspects of waste generation, waste management, repair, reuse and recycling by, for example: i. supporting skills sharing, development and training ii. working in partnership to develop repair and reuse services (c) The advancement of education and opportunities through the promotion of reuse and repair
