Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health', 'the advancement of environmental protection or improvement'

What the charity does: The charity is a recreational allotment area for the cultivation of flowers, fruit and vegetables. The site contains a range of plot sizes, including raised beds, to enable tenants to benefit physically and mentally from plot use according to their needs. There are regular working and social events for plot holders to maintain the communal facilities and encourage community cohesion. Biodiversity is promoted throughout the site, promoting use of organic methods and growth of a broad variety of species. Tenancy of all plots on the site is managed by the Board in the best interest of the Association members and the surrounding community. The surrounding local community benefits from the relaxing open air site and the produce from the plots during open events and through donations of produce to local community kitchens/foodbanks.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The advancement of environmental protection and improvement by holding the land, registered under the title number GLA93548 and lying to the rear of Greenholme Court, Cathcart, Glasgow, and developing it as a recreational allotment area for the cultivation of flowers, fruit and vegetables in accordance with the Deed of Conditions associated with the feu disposition in favour of the Association and by managing the allotment site in an effective manner and in accordance with the Associations? policies and code of conduct for members, promoting biodiversity and developing tenancy of all plots on the site in the best interest of the Association members and the surrounding community. The advancement of health by promoting and developing access to the open air site and its facilities for the surrounding community and schools by encouraging organic growing methods and providing a relaxing amenity for the local community to enjoy.

Geography

- **Main operating location:** East Renfrewshire
- **Geographical spread:** More than one local authority area in Scotland

President & Committee Annual AGM Report 08/04/2025

Elections and Committee Changes

The committee stood down for re-election.

[REDACTED] has stepped down as treasurer but stays on as a member of the committee. [REDACTED] has been elected as the new treasurer. Other office holders were re-elected with no other changes to the committee.

Changes to Rules and Fees

Annual fees will rise in April 2026, to £50 for a whole plot, £25 for a half plot, £15 for a raised bed.

Rule change in keeping with fellow allotments:

- Members who receive 3 warning letters over a 24 month period will be asked to vacate their plots.
- Members not completing their communal work hours (4 per person per year) wit a 12-month period running from one AGM to the next will receive a warning letter.
- Members are reminded to number their plots.

Treasurer's Report

Another busy year with a lot of activity at the allotments.

Open Day

Another successful Open Day was held in August 2024. Our local community came out in force and takings were up on the Gate from the previous year at over £260. It

was a busy day and the local community also spent more in 2024, with takings also up on last year for tombola, bric a brac and home baking. Others maintained roughly the same income as previous year, and we are also grateful to plot holders who used their other skills/contacts and set up other stalls to add to the overall experience for our visitors. In 2024 these included candy floss, name the bear, face painting and crafts for kids. Profit for the Open day reached £1078.

Other Spending

Our other main spend in 2024/25 was the construction of the new Hut extension, with materials purchased at a total cost of just over £1600, though all the labour was given by plot holders who came together to make the construction happen in time for the Open Day.

Last autumn, we also invested in some repairs to the perimeter fence, but little did we know what was to come in February, so additional repairs were required to the fence following the storm damage. Total cost of repairs to the fencing just over £200.

In helping plot holders with the clean up following the February storm we also spent £280 on rubbish uplift.

This spring we have acquired three new planters for the communal area, and so we also purchased compost to fill these large planters.

Possible plans for the forthcoming year could include spending on paint for the interior of the Hut extension and continued development of the North End of the site.

Vote of Thanks

Vote of thanks to:

- Big build team for all their hard work upgrading the hut
- Neil for repair work on the fence and trees
- Ross and Jackie for mowing the grass in communal areas
- Woodchip providers
- Volunteer committee
- Stevie for providing manure and hardcore for path repairs.
