Achievements and performance

Summary of the main achievements of the charity during the financial period

Unfortunately, the pandemic hit us hard. The premises we were using were closed as we were not able to access them at all. Our volunteers struggled during lockdown and though we tried to keep everyone motivated and involved, many drifted away. We did manage to carry out street work though and helped young people in practical and emotional ways to get help. We linked vulnerable young people to other services and supported them through providing food parcels, toiletries and data to access online services too.
