Address 7 Southfield Terrace
Edinburgh
EH15 1RE

Activities

Activities: 'It makes grants, donations or gifts to organisations'

Purposes: 'the advancement of education'

What the charity does: Our charity was set up to enhance the educational experience of the pupils at Duddingston Primary School. The charity supports accessibility to the arts and outdoor education and contributes to the school inclusion fund so that every child can have the funds to fully participate in the opportunities provided through school. We make money through the feed in tariff we receive through our nursery solar panels and use that profit to buy items that the school would ordinarily be unable to fund. The Trust also helps maintain the extensive grounds we have at school.

Beneficiaries: 'Children or young people'

Objectives: 4.1 to advance the educational experience of children attending Duddingston Primary School including the Nursery Class(es). 4.2 to provide resources supplementary to Local Authority funding which enhance the educational experience of children at Duddingston Primary School.

Geography

- **Main operating location:** City of Edinburgh
- **Geographical spread:** A specific local point, community or neighbourhood

2024/2025 Trustees:

Structure, Governance and Management

Constitution

The Charity is a Scottish Charitable Incorporated Organisation (SCIO) registered on 20 March 2014.

Appointment of Trustees

The structure of the organisation consists of the charity trustees who are also the organisation's only members and comprise the organisation's Board. Membership of the Board is open to all parents, carers, guardians, relatives or staff associated with the school, its community organisations or the local community in general. There must be a minimum of five and a maximum of twelve trustees and the Board meets every two – three months.

One Trustee member retired during 2024- 25, Kim Wallace.

The Trust held it's AGM on the 11th of June 2024. All post holders stood down and the new appointees were voted in.

Objectives and Activities

Charitable Purposes

The purpose of the charity is the advancement of education with two key objectives. The first is advancing the educational experience of children attending Duddingston Primary School, including the Nursery classes, and the second is to provide resources supplementary to Local Authority funding which enhance the educational experience of children at Duddingston Primary School and Nursery.

Activities and Achievements

The charity has been active for eleven years. This is the fifth year the trustees have focused on managing the funds raised from the installation of the solar panels, but this income has been used for the same purposes as in previous years i.e. to enhance the school environment and the experiences of the children that use the school and nursery facilities.

Priorities were:

- Managing the income generated from the solar panels installed in February 2020
- Playground / school grounds improvements for outdoor education
- Drama / Theatre / Music
- Inclusion Fund

Solar Panel Project

The 30kW solar PV system installed on the Nursery roof in February 2020 continued to work well during the fifth year of its generation. Quarterly meter readings are submitted to obtain the Feed in Tariff via Good Energy and also used to calculate the income from the City of Edinburgh Council.

The annual inspection of the installation showed the panels needed cleaned. The panels were subsequently cleaned and minor repairs were made in April 2024.

Playground / School Grounds Improvements for Outdoor Education

The Trust funded the installation of an outdoor learning cabin in 2022 and were able to complete this project with the installation of raised decking in front of the cabin in May 2023. This has created a more practical space for the pupils and teachers to use when participating in activities led from the cabin and has been a big improvement to the functionality of the area. The cabin remains a key resource for the pupil's outdoor learning. The Trust maintains the decking ensuring it is varnished each year.

A planting calendar was created for the raised beds with assigned planting days for different classes so that pupils could experience planting and harvesting different vegetables at different times of the year. The first, class planting day for pupils and their families, was Friday 4th October 2024.

Gardening mornings were held in October, January and two in March and any interested parents/ carers were invited come along through our classroom representatives.

Over £300 of playground materials were purchased to enhance playtimes and lunch breaks. These materials included balls, bats, skipping ropes, bean bags, fidget spinners, clay etc and they were delivered at the request of the 'Pupil Playground Managers.'

Drama/Theatre and Music Enhancement

Pupils (age group?) benefitted from a drama performance titled 'Ginger' by the Imagine Theatre Groups. This cost the Trust in the region of £900.

Other pupils attended events through Edinburgh Science Learning.

Inclusion Fund

A donation of £500 was made to the School Inclusion Fund in September to ensure that funds were available should any family need to sue it especially to support families whose children wanted to attend the P7 residential trip to Benmore.

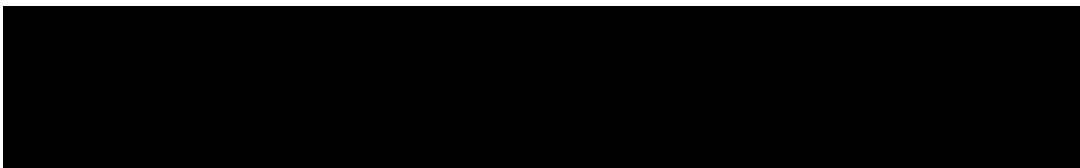

Financial Review-

Plans for the Future Period

During 2025-26 the Trust members all agreed to endorse the school's requested annual funding priorities from the solar panel feed in tariff profit to be:

1. Supporting the Imagine Programme- in school theatre works (£1K)
2. Playground resources (approx. £500)
3. Inclusion fund (£1K)

The solar panels will continue to be a sustainable income for the charity that will help to support our priorities.

Independent Examiner's Report to the Trustees

I report on the accounts of the charity for the year ended 31 March 2024, set out on pages 5 to 7.

Respective responsibilities of the Trustees and the Independent Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirements of Regulation 10 (1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under 44 (1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with Regulation 11 of The Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention:

which gives me reasonable cause to believe that in any material respect the requirements;

* to keep accounting records in accordance with Section 44 (1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended); and

* to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations (as amended);

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
