Purposes: 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: The Bannan Fitness Club was set up to enable the local community of Coatbridge to learn and enjoy Boxercise. Our club has been created to provide families the opportunity to train together at a low cost. We believe we are the only fitness club in our surrounding area which provides families with the unique experience of training together and keeping fit whilst having fun.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The provision of recreational activities with the object of improving the conditions of life of the public, particularly overall health and well-being, through the promotion of a wide range of community participation in healthy recreation particularly by the facilities for fitness training (cardiovascular, regular and moderate workout regime plus a healthy diet) working towards broad goals of overall health and well-being.
