## APPENDIX 1

### Achievements and performance

#### Summary of the main achievements of the charity during the financial period

Our fundraising efforts for the next round of Tanzanian exchange visits have continued to be halted due to the Covid-19 pandemic. The £6000 that was raised since the last exchange visit continues to be ring-fenced and is protected for future exchange trips. Although travel restrictions are lifted we are still only carrying out trips in the UK.

We continue to support the cost of running the school minibus. The minibus is an integral part of school life. Having this resource reduces costs to pupils for a large number of events and outings, including theatre trips, school sports team travel, extra-curricular pupil events etc. The minibus is available to local community and education groups.

We now run a very well attended Community Larder (food bank). School Fund supports this.

Cost of living crises – supporting some families with items of school dress code clothing.

Our income remains consistent and relatively stable.
