Scottish Charity Number SC 044930
Trustees' Report for year ending 31 December 2024

The focus of this year was to ensure that Glenurquhart Highland Gathering and Games went ahead, and that we recovered our losses from the cancelled event in 2023.

Much to everyone's relief, we held a successful Games Day on Saturday 24th August 2024.

This was the first time that our new Chairperson and Secretary had a chance to experience the running of the actual event.

Thanks to the ongoing efforts of our committee members, as well as the hard work of over 180 volunteers on the day, the Games were a huge success this year.

Trustees and Committee Members

Resignation of Trustees

██████████ stepped down on the 11th of January 2024. Our thanks to ██████████ for her seven years of service as a trustee.

Appointment of New Trustees

██████████ as appointed at our AGM on 4th March.

Our Finances (see also notes to our accounts)

Mindful that the 2023 Highland Games cancellation had resulted in total loss of £9730.28 to our funds, and that there would be no income from sponsorship this year (as the 2023 sponsorship fees were then used for the 2024 Games), stallholder fees therefore provided much needed income in the months prior to our event.

Compared with the successful Highland Games in 2022, the 2024 Games saw increased income from gate entry fees, catering and The Glen Challenge.

However, the income from Programme sales was less than we would have predicted.

Our accounts demonstrate the total receipts for 2024 amounted to £69804.76. Our payments totaled £56788.95. This means our charity has a surplus of £13015.81

Our end-of-year closing balances amount to £49992.23.

“Games Day” highlights

We secured the services of a **new commentator** this year. [REDACTED], as our long-standing afternoon commentators, [REDACTED] were no longer available.

All the trustees were very impressed with [REDACTED] commentary as well as his interactions with our morning commentator, [REDACTED] and our competitors, spectators and volunteers. We agreed to book him again for next year.

The high visitor numbers, combined with the increased admission fee and capacity to take card payments, resulted in excellent income from the **entry gates** this year.

2024 saw the biggest number of “**Glen Challenge**” entries to date! The popularity of this walking/running/cycling event seems to be growing! Our income from this has risen almost 28% compared with our 2022 event.

Our **Mini Highland Games** volunteers welcomed approximately 230 children, around 66% of which were visitors to the area. They thoroughly enjoyed the activities on offer.

Our **Tea Tent** and **Barbecue** teams were incredibly busy on the day, and the income generated was 8.99% higher than our Games Day in 2022.

At the Tea Tent, staying open until 5pm enabled most of our stock to be sold and our new Haggis and vegan offerings were a huge hit!

We are indebted to our **supporters and sponsors-in-kind**. Huge thanks to: **Highland Industrial Supplies**, for their ongoing support through donations of equipment and their loan of generator [REDACTED] each year; **Cobbs**, for their donations of cakes each year; **Fionnar**, for their donated Spring Water; [REDACTED] or donating 2 large Barbecues and a hand-washing station; [REDACTED] for the purpose-built hand-washing stand; and to [REDACTED] for his many years of assistance to set up and dismantle the field.

Charitable payments

The focus of this year was to ensure that the Highland Gathering and Games went ahead, and that we **recovered our losses** from the cancelled event in 2023.

We recognise that we need to retain a financial buffer, so that the Highland Games can endure any further on-the-day cancellations.

As such no charitable payments were made during 2024, although we are now able to resume making charitable donations in 2025.

Looking forwards

Length of Service - Chieftain

We have agreed to increase the length of service for the Chieftain to two years. This is due to feedback that a longer settling-in period would be advantageous to the role. [REDACTED] has therefore agreed to be our Chieftain for our 2025 and 2026 Highland Games [REDACTED]

Increase Sponsorship and Prize Money

The Trustees are considering a substantial increase in prize money, which has not been reviewed in several years. We are also considering a significant restructuring of our sponsorship packages. This would allow us to consider hosting National or even World events in future.

Constitution, Number of Trustees and Trustee Induction Process

Having discussed the importance of reviewing our constitution regularly, and the differences between being a charity trustee vs the member of an organising committee, we have agreed to consider a reduction in the number of trustees at our next AGM in March 2025.

We currently have 20 trustees, which is our maximum number. However, many of our trustees are not able to attend meetings regularly, and some now live outwith the local area. We propose to move forward with a smaller group closer to 7 trustees (our minimum number) who will meet each quarter to further our charitable aims.

Our secretary [REDACTED] and our new minutes secretary, [REDACTED] have begun to review and update our constitution and trustee induction process in preparation for our next AGM.

Thanks to our hard-working trustees and volunteers, Glenurquhart Highland Gathering and Games has made a strong recovery from our cancelled event in 2023.

In particular, the trustees would like to thank our Secretary [REDACTED] for supporting every facet of the organisation throughout 2024. He has worked diligently to master every detail and ensure the 2024 event ran smoothly.

Our trustees look forward to the dynamic changes and new challenges that 2025 will bring.

Notes to accompany the accounts for year ending 31 December 2024

Scottish Charity Number SC 044930

These accounts have been prepared on the Receipts and Payments basis, in accordance with the Charities & Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The funds held by Glenurquhart Highland Gathering and Games are all classified as unrestricted funds, which may be used at the discretion of the trustees in furtherance of the objects of the charity. Our funds are kept in 2 separate accounts: the Treasurer's account, and the Bus Bank Instant Access Account.

Treasurer's account

Most of our transactions are conducted via the Treasurer's account.

This year we obtained 3 debit cards for our Chairperson, Secretary and Treasurer to use. We also have a linked Paypal account set up, which has been used to settle some invoices.

This year saw use of our Sumup machines at 4 locations: both entrance gates, the Barbecue and Tea Tent.

Other information

Stallholder fees provided much needed income in the months prior to our event.

Compared with the successful Highland Games 2 years ago, this year saw increased income from gate entry fees, catering and The Glen Challenge.

However, income from programme sales was less than we would have predicted.

Our invoice for Security services (£1416) was paid twice this year. We contacted the company, and the refunded payment cleared in our account on 31st January 2025.

We paid our afternoon announcer [REDACTED] £1151.84 for his services and travel expenses. This was an innovation which committee members judged to be very successful.

Charitable payments

The focus of this year was to ensure that the Highland Gathering and Games went ahead, and that we recouped our losses from the cancelled event in 2023. As such **no charitable payments were made during this year**, although we will be able to make charitable donations in 2025.

Remuneration

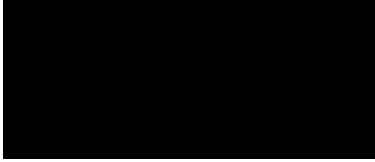

No remuneration has been paid to a GHGG trustee or any person connected with a GHGG trustee.

Secretarial expenses were paid out during the period covered by these accounts totalling £207.03 to cover fuel and subsistence costs for travel to a RSHGA meeting in Perth as well as meetings with sponsors, purchase of office supplies as well as stamps for correspondence and payment of Invoices.

There have been no transactions between GHGG and a GHGG trustee or any person connected with a GHGG trustee.

All the payments described in the accounts were made after approval at a formal meeting of the charity's trustees, and the minutes of the relevant meetings record the amounts approved.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention [other than that disclosed on the attached page*]

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
