What the charity does: The Stove Network (TSN) is an arts and community organisation that uses arts and creativity to enable communities to vision, create and enact new futures for themselves and their places. At the core of our mission is an understanding of arts not as something solely for an 'arts audience' but rather as a vital contribution to society on all fronts. Our work seeks to engage with the widest possible range of people on issues relevant to their lives in ways that can make a lasting difference and support community visioning/planning and delivery for new initiatives that promote and develop wellbeing and sustainable local futures.
