What the charity does: The aim of the BDRG as a charity is for the prevention or relief of poverty within our community through community learning opportunities, through workshops, training and social engagement. We also plan and deliver recreational facilities and activities with the object of improving the conditions of life for the residents whom the charity is primarily intended. We do this through the delivery of a youth programme which includes 2 youth clubs, 2 youth award groups and 3 music groups. We let the venue out to statutory and 3rd sector groups who support members of our community through creativity and employability. We also let the venue out to individuals for family gatherings. The Scout Hut is used free of charge by local community groups f.o.c. for the purpose of community engagement and development e.g. the Gala, Citizens Advice.

We also provide volunteers to assist with IT support. 2 Advancement of education - 2.1 To assist our non-English speaking residents we make our community hall available for weekly English for Speakers of Other Languages (ESOL) class. We have local

residents trained in delivering these classes as needed. 2.2 We are now running an Adult Literacy class to help local residents improve their abilities in reading and form filling etc. These classes are run by local volunteers trained to help others. 2.3 We provide the facilities of our community hall for the running of annual classes in basic First Aid, Child Protection and Activity Training. Trained volunteers help as needed. 3. Provision of leisure facilities - 3.1 Through the management and running of our hall - the Community Pavilion. 3.2 Engaging in community led projects for developing leisure facilities within the boundaries of our community.
