Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: we directly support people with a range of conditions, including Diabetes (type 1 & 2), HIV+, High Blood Pressure, Mobility issues, Mental Health conditions, and Hepatitis (B & C), through providing clear, relevant and culturally sensitive information and advice.

Beneficiaries: 'People with a particular ethnic or racial origin'

Objectives: 3.1.1 the advancement of health and the relief of suffering of minority ethnic communities, who are disproportionately affected by long term health conditions such as HIV/AIDS, mental health, alcohol and drug misuse, diabetes and ill health generally by increasing awareness of and developing culturally sensitive counselling and support services. 3.1.2 advancing education by providing information, training, guidance, and assisting in the development of effective policies and good practice guidelines when developing culturally appropriate services to minority ethnic communities. 3.1.3 to relieve distress and financial hardship and to promote and preserve good health through the provision of befriending, outreach services and alternative therapies as well as assisting minority ethnic communities to access advice and support from traditional sources.
