Structure, Governance and Management

Constitution

The Charity is a Scottish Charitable Incorporated Organisation (SCIO). It was registered in its current legal form on 18 August 2014. It was set up with a single-tier structure.

Appointment of Trustees

The above-mentioned trustees had their AGM on 15th June 2024 and meet three to four times a year. The trustees of the charity remained static throughout the financial year 2018. There must be a minimum of three and a maximum of six trustees.

Objects

Charitable Purposes

The organisation is established for charitable purposes only, and in particular, the objects are:

- to advance animal welfare, in particular the welfare of ex-commercial (including ex-caged, barn and free range) hens
- to advance and promote education concerning animal (particularly hen) welfare

Achievements and Performance

During 2024, the charity rescued and rehomed almost 4000 hens
We also supplied hens and ongoing support to several community projects including two primary school conservation projects led by pupil groups within the school.

Financial Review

Income (£10 115) & Expenditure (£5312.86)

As in previous years, the charity relied solely upon donations to provide their service throughout 2024

Reserves Policy

It is the aim of the trustee's to ensure a reserve of £3,000.00 for financial year 2019 in order to meet any ongoing financial commitments and to cover any unexpected expenditure as agreed at the last AGM. This will be reflected in the 2024 accounts.

Plans for the Future

The charity bank account is healthy in relative terms of income and expenditure and slowly growing each year. The trustees discussed the lack of applications for grant funding community projects such as schools and residential/retirement/nursing homes or community/allotment groups. They agreed to be more proactive in their approach, and seek out groups or schools undertaking hatching projects in order to spend charity funds.
