Trustee recruitment and appointment

The Trustees meet on a quarterly basis. There must be a minimum of Three Trustees. New members are actively sought during the course of the year and within the activities of the organisation. Trustees are elected by majority vote annually at the AGM. Additional Trustees are appointed by majority vote of the existing Trustees as the need arises to ensure the correct skill set is available for the organisation to achieve its objectives. The organisation has a good variety of skills and experience within the current Trustees. The charity welcomed a new trustee [REDACTED] at the AGM in October 2024. Our trustees also reviewed our governing document ensuring all policies and procedures are up to date.

Charitable purposes

To advance citizenship and community development in East Renfrewshire by providing not for profit community transport services. These services are aimed at those disadvantaged due to age, ill health, disability, financial hardship or other disadvantage.

Summary of the main activities in relation to our objects

The charity continues to provide a volunteer driver service for disadvantaged people in East Renfrewshire to be able to attend hospital and medical appointments using volunteer drivers own vehicles as well as a VW caddy vehicle with a rear ramp and a wheelchair accessible people carrier (8 passengers) with rear tail gate. The project also has a 13 seater mini bus with rear tailgate. The three vehicles are also used to provide an afternoon service and are available to hire for individuals, Voluntary Groups as well as community groups for low cost. The charity also runs these services and manages a group of volunteers to provide this.

Summary of main achievements

Another strong year for Community Transport East Renfrewshire with all aspects of the charity remaining busy. Medical Appointments from April 2024 – March 2025 remained high with slight growth from previous year at 2453 appointments being booked by residents of East Renfrewshire. This equates to 4906 single journeys. Our volunteer drivers for medical appointments covered over 39,016 miles and dedicated over 3966 hours driving patients to over 62 various hospitals and GP surgeries in the greater Glasgow area and beyond. New referrals to the medical appointment service remained high at 188.

Our afternoon teas at Barrhead Resource Centre have remained popular and attendance has increased from the previous year with new members coming along to meet new friends and socialise. We held 33 afternoon teas where 272 residents in the Barrhead and Neilston area have attended. Our fantastic group of volunteers who facilitate this service by driving the buses, escorting residents on/off the buses, serving tea, cleaning up, shopping and much more have dedicated over 1200 hours to making our afternoon teas a huge success. We had a fantastic Halloween afternoon tea and members got to listen to some original poems from one of our fabulous members [REDACTED] bringing back memories of Halloween in the "good old days". Over the last few years, we have noticed a lack of male members attending our afternoon teas so in a bid to tackle this we introduced a men's only afternoon tea in February 2025 which has gone from strength to strength. Local men from Barrhead and Neilston have come along and have been enjoying socialising with new people and meeting up with old friends. We have plenty of interest for this group and hope to see it continually grow.

Our Bus Hires have remained steady from previous year with 8 local community groups hiring our vehicles for 11 outings which have included The Kelpies, Blair Drummond Safari Park and Largs. We only have one bus driver for these hires, and he has covered a massive 492 miles transporting these groups for a fantastic day out.

To enable us to maintain this great success across the charity we have been on the lookout for new volunteers for both the medical appointments and driving our vehicles. At the beginning of 2025 we

went out to all the local GP surgeries in East Renfrewshire updating them on our referral process for medical appointments as well as putting up posters to try and recruit new volunteers. We have successfully recruited 4 new volunteers since doing this and hope more will follow.

The charity reserve policy

The charity held funds at 31st March 2025 of **£50,876**, last financial year (**£55,061**), no restricted funds. It is the policy of the charity to maintain the unrestricted funds not committed ('the free reserves') at a level to support 3 months operational activity (**£16,822**). The Board consider that the current level of free reserves is adequate but is always considering ways of achieving additional income. The Trustees are also aware of the necessity to have a realistic reserve figure for vehicle repairs and/or replacement.

Designated funds

Vehicle repairs/ replacement (**£25,000**)

Expected increase in medical appointments (**£7,500**)

Donated facilities and services

Parking space is made available for the two minibuses at Barrhead Health Centre and the East Renfrewshire Council garage in Thornliebank. Servicing of vehicles and drawing of fuel at East Renfrewshire Transport Depot to enable us to get better value for money.

Principal Funding Sources

Our main funders are Health and Social Care Partnership and Strathclyde Passenger Transport, we receive year on year funding from both stakeholders which is spread across 2 financial years.

Additional Information

East Renfrewshire is an area that is 80% rural and 20% Urban, public transport is expensive if you live in the rural areas and there is limited transport from one side of the authority to the other. This not only makes it difficult to attend medical appointments for those that are disadvantaged in some way as the figure in performance suggest the service is well used by the residents of East Renfrewshire. As older residents find it difficult to stay connected with friends and their local community, we will continue to offer the afternoon teas, to help older residents remain connected by having things to do and people to see. Social interaction is equally as important as medical interventions.

Report of the Independent Examiner to the Trustees and Members of Community Transport East Renfrewshire

I have examined the financial statements of Community Transport East Renfrewshire SCIO for the year ended 31 March 2025 on pages Seven to Eleven.

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

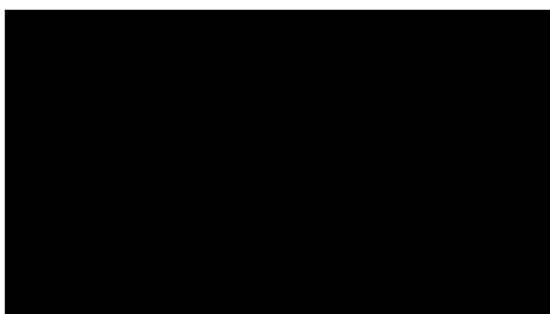

Community Transport East Renfrewshire SCIO is a registered Scottish Charity; my examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the organisation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Annual Report 2024-2025

After 25 years since I started the charity it has gone from strength to strength with the efforts from our fantastic volunteers and our fantastic residents in East Renfrewshire who continually use our services. 2024/25 has been another great year. Our transport to medical appointments service has remained ever popular as well as bus hires for local community groups. Our real success story of the past year is our afternoon teas. Coming out of the pandemic our groups were small and attendance low, however over the last year we have seen our group sizes get bigger with more members attending and new members joining. We noticed our groups were predominantly made up of women and not very men attended our afternoon teas, so in a bid to tackle this, we introduced a men's only group at the beginning of the year which has gone from strength to strength. Local men from Barrhead and Neilston have come along and have been enjoying socialising with new people and meeting up with old friends. We have plenty of interest for this group and hope to see it continually grow.

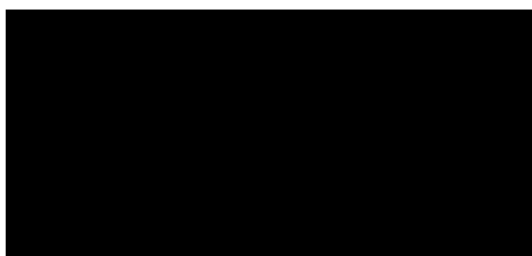

We celebrated our fantastic volunteer [REDACTED] 60th Birthday. [REDACTED] has volunteered with us for over 6 years and has been a huge help and friendly face within our organisation. We had a fabulous time celebrating with him and want to wish him all the best in his new home.

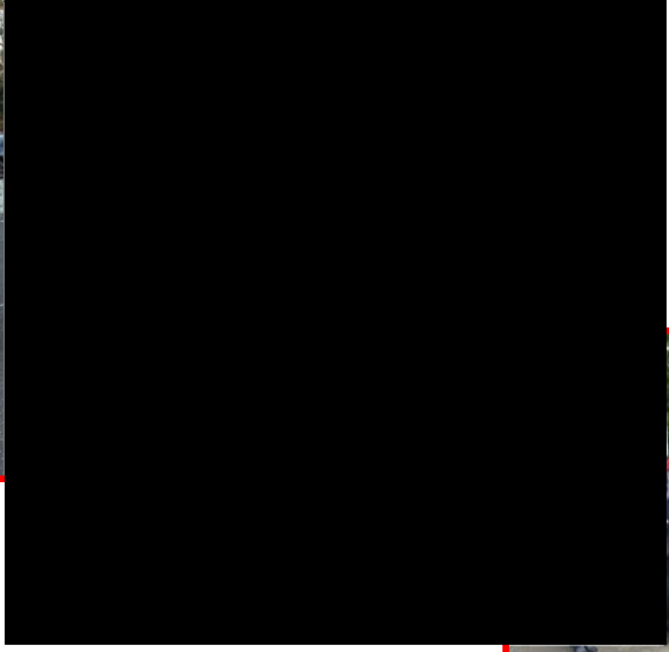

We want to say a huge thank you to HSCP (Health and Social Care Partnership) and SPT (Strathclyde Partnership for Transport) who have continued to fund our project. **Thank you.**
