Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We hold monthly meetings/outings to provide fellowship for people with conditions which cause them disability and constant pain. We also arrange for a range of speakers to give advice and to make them aware of what is available to help alleviate this

Beneficiaries: 'People with disabilities or health problems'

Objectives: The objective of the Group is to alleviate the distress experienced by individuals living with debilitating illnesses that result in chronic pain. Additionally, the Group seeks to support these individuals, as well as their family members and friends who may serve as their caregivers. We aim to achieve this by promoting and providing education on the comprehensive understanding of all aspects of pain management, as well as raising awareness of the available therapies and treatments.
