Dundee Kings Theatre Trust SC045471 - Chairman / lead Trustee Report.

For reporting period to 31/03/2024

The charity has 3 Trustees. No substantive activity has occurred in the reporting period with exception of a few call and Trustee in person meetings . This is in light of continuing competing demands notably domestic caring duties and health level affecting all trustees.

The Trustees do not intend closure of the Trust as we try to seek new members and supporters with more time and capacity than we currently have. Our action plan for 2024 with hoped for increased assistance from the below , failed to gain traction but will be carried through to 2025

1. the UK Theatres Trust www.theatrust.org who have been in contact to offer advice and support
2. A strategy officer of Dundee City Council City Development team who we met and were promised some form of further action.
