Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of public participation in sport'

What the charity does: The club was founded in 1961 as a Not-for -Profit Organisation producing many boxers over the previous 64 years. We are fully inclusive and welcome all members of the community. Most do not box competitively but attend for the overall physical and mental wellbeing boxing provides. It gives people of all ages, but particularly younger people a sense of belonging and the determination to succeed in adult life. We have had the pleasure of seeing many local youngsters go on to have successful careers whilst staying grounded. Boxing is an affordable sport, and we would like to keep it that way so that no one is excluded through financial hardship. That is the overall objective of AABC, and the coaching staff and referees and judges take no financial remuneration from giving up many hours a week to ensure the Clubs ongoing commitment to the Community. We hold a boxing show each year to help raise funds for the club with additional sponsored events during the year when needed.

Beneficiaries: 'Children or young people', 'Older People'

Objectives: The Club is established to pursue the following objectives: The advancement of public participation in sport by. Establishing competition for members and entering District and National championships. The provision of training and coaching facilities for its members. Promoting the highest standards of technical competence and safety in the sport of boxing . Upholding the rules of boxing. Providing equal opportunities for participation by all sections of the community. Promoting, organising, managing and developing boxing locally.
