Summary of the main activities in relation to these objects

Our classes run on Saturday mornings (30 weekends per year) for 2 hours and 30 minutes.

From 3 years old, children discover new games, listen to stories and express themselves in a French environment.

From the Primary 1 level, we educate children to write and read letters and sounds specific to French and thus develop their learning ability, in a well-defined environment between children speaking French and a French teacher.

At the end of Primary 7 level, children have developed a very good understanding of written French and can become independent reader in French and are also able to write a short text independently and confidently.

For children starting high School, we developed a program preparing them to sit a Diploma in French Language Studies (DELFL).

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

Our academic activities took place between Sept 2024 until June 2025 over 30 sessions at Notre Dame Primary School.

This year we presented 8 candidates to the DELF diploma: all at level B1. The Exams took place in June 2025. All our students passed the DELF exam with flying colours.

Beyond our French teaching activities, we held several cultural events. The “Arbre de Noel” celebration was held on the 1st Decembre 2024 at Pollokshaws Burgh Hall.

We also organised a Ceilidh-Carnaval on the 8 March 2025 at Pollokshaws Burgh Hall with the WendCeilidh Band.

Our association is a member of FLAM, an organisation supporting the teaching of French as a native language <https://www.associations-flam.fr/>

Further information on our activities can be found in our Annual Report (Section 5).

Financial review

Brief statement of the charity's policy on reserves

The main source of revenues are payments received from parents. Our policy on reserve is to maintain a minimum of £6,000 in our bank balance at the end of each accounting period (i.e. 30th of June of each year). This way, sufficient funds are available for initial spending on classes' rental and teacher remunerations before we start receiving payments from parents' contributions.

Details of any deficit

During the school year from July 2024 until June 2025, our association made a surplus of £4,481.

The surplus is the result of a well managed annual fees increase for the weekly lessons. After a number of years where we maintained the school fees at a low level to support the cost of living increase (Covid impact), we agreed during the May 2024 AGM to increase slightly our fees (by £2 per weekly classes) in order to balance the books.

We had exhausted a grant received a few years ago as a Covid support by the French government (AEFE) of £5,232 and it was imperative to return to a surplus position for the weekly running of the school. This grant allowed us to stabilise our financial situation before making the necessary adjustment.

The surplus of £4,481 is indeed the result of these annual fees adjustments which have been accepted by the majority of present members at the 2024 AGM vote.

In addition, at the 2025 AGM, a further increase (by £1 per weekly classes) has been proposed and accepted by the majority of present members in order to increase accordingly the teachers' remuneration. The early estimation for the year 2025-2026 indicates that the school will make another surplus following a welcome increase of students joining our school at the start of the new academic year.

To celebrate FLAM 20th anniversary, 20 FLAM school gathered in London on 12 November 2023. to celebrate the event. [REDACTED] and [REDACTED] were present and represented the Ecole Buissonniere.

Further information our activities can be found in our Annual Report (Section 5).

Brief statement of the charity's policy on reserves

The main source of revenues are payments received from parents. Our policy on reserve is to maintain a minimum of £3,000 in our bank balance at the end of each accounting period (i.e. 30th of June of each year). This way, sufficient funds are available for initial spending on classes' rental and teacher remunerations before we start receiving payments from parents' contributions.

Details of any deficit

During the school year from July 2023 until June 2024, our association made a deficit of £1,998.

The Association des Parents Francophones made a loss of £2,729 for their running operations. However, the school also organised a few fundraising events through the year to mitigate this loss, resulting in £731 funds raised thanks to these activities.

The mentioned deficit linked to the weekly running of the school has been expected and in line with our financial projection, due to the rising letting fees imposed by the school (school cleaning fees, cleaning materials and janitor fees). We also want to ensure the same quality of teaching by maintaining the same number of teachers and assistants despite a slightly reduced number of pupils.

However, the Association des Parents Francophones could rely on the grant received by the French government (AEFE) of £5,232 the year before to support the return fully to in-class learning as well as additional support to encourage pupils to obtain a certificate at the end of their learning experience with the school. This grant allowed us to stabilise our financial situation before making the necessary adjustment. As a result, we had to increase the class fees for the upcoming year, as highlighted in the minutes of our AGM, in order to return to a profit situation. The early estimation for the year 2024-2025 indicates that the school will make a profit for that school year.

Our Association “Association des Parents Francophones” also known as “École Buissonnière de Glasgow “ is a non-profit organization which aims at promoting the advancement of French education for children having a connection with the French language and who enrolled in the Scottish education system.

The Association provides weekly courses taught by qualified teachers to accompany the child into reading and writing independently in French. Children attending our courses should reach a language proficiency in French comparable to that of their proficiency in English for their age level.

Our classes run on Saturday mornings (30 weekends per year) for 2 hours and 30 minutes.

The Board members will be elected or confirmed by the members present at the AGM.

5. Achievements and performance

Our academic activities took place between Sept 2023 until June 2024 over 30 sessions at Notre Dame Primary School.

This year we presented 9 candidates to the DELF diploma: 5 at level B1 and 4 at level B2. The Exams took place in June 2024. All our students passed the DELF exam with flying colours. DELF diplomas (Diplôme d'Études en Langue Française) are official diplomas issued by the French Ministry of National Education, Youth and Sports to certify the French language skills of foreign candidates and French people from a non-French-speaking country. DELF exams assess 4 skills: oral comprehension and production, written comprehension and production. The DELF B2 is an admission criterion for entering French, European or French-speaking university.

Beyond our French teaching activities we held several cultural events. The "Arbre de Noel" celebration was held on the 3rd Decembre 2023 at Pollokshaws Burgh Hall.

Our association is a member of FLAM, an organisation supporting the teaching of French as a native language

<https://www.associations-flam.fr/>

FLAM celebrated its 20th anniversary on 12 November 2023.

<https://parapluieflam.org/evenements/20e-journee-parapluie-flam>

Twenty FLAM schools from the United Kingdom (out of 56) gathered in London to celebrate the event. [REDACTED], [REDACTED] were present and represented the Ecole Buissonnière. The support of our MP Alexandre Holroyd, our senator [REDACTED] and our London elected officials confirms the importance of Saturday morning schools.

This day highlighted the importance of supporting French among bilingual children. The French government supports our projects

thanks to AEFÉ (Association de l'Enseignement du Français à l'Étranger) grants and the situation of the French language is regularly discussed in the Senate.

As part of our FLAM membership we keep benefiting from access to the Savio online platform. <https://savio.fr/originalite-de-savio/>

This tool offers interactive challenges in reading, grammar, conjugation, spelling and vocabulary. We keep encouraging parents and children to make use of this innovative tool as a supplement to the teaching provided.

We are also proud of supporting the Erskine foundation for Veterans (<https://www.erskine.org.uk/>). We organised a fundraiser in November 2023 during which time our students prepared and sold paper flowers known as “bleuets”, allowing us to make a donation of £113 to the Erskine foundation.

We also organised a Ceilidh-Carnaval on the 24 February 2024 at Pollokshaws Burgh Hall with the John Carmichael Ceilidh Band.

Our annual general meeting took place on 18th Mai 2024.

The committee reported on the accounts for the year 2022-2023 and presented the financial forecast for the year 2023-2024 along with different projections and scenarios.

It was explained that our ambition is to:

- Preserve the number of classes
- Revalue teachers' salaries
- Perpetuate and enhance the teaching management function already tested this year by [REDACTED].
- Give a margin of flexibility for our additional activities

To maintain the number of classes and to eventually adjust teachers' salaries it was estimated that cost per course should increase from £12 to £16 per course. To avoid a sudden increase starting next year, a gradual transition was proposed:

- £14 (£12/£10) per course for the 2024-2025 year
- £15 (£13/£11) per course for the 2025-2026 year
- £16 (£14/£12) per course for the 2026-2027 year

This proposal assumed a minimum number of 100 students. If this number changes significantly at the start of the next school year, downwards or upwards, we will implement these proposals and submit them to a new vote. In addition, the increases proposed for 2025-26 and 2026-27 are an indication or “roadmap” that will have to be reviewed and approved at the next AGMs.

Following the presentation we voted an increase of the member contribution for the year 2024-2025 to £14 per course.

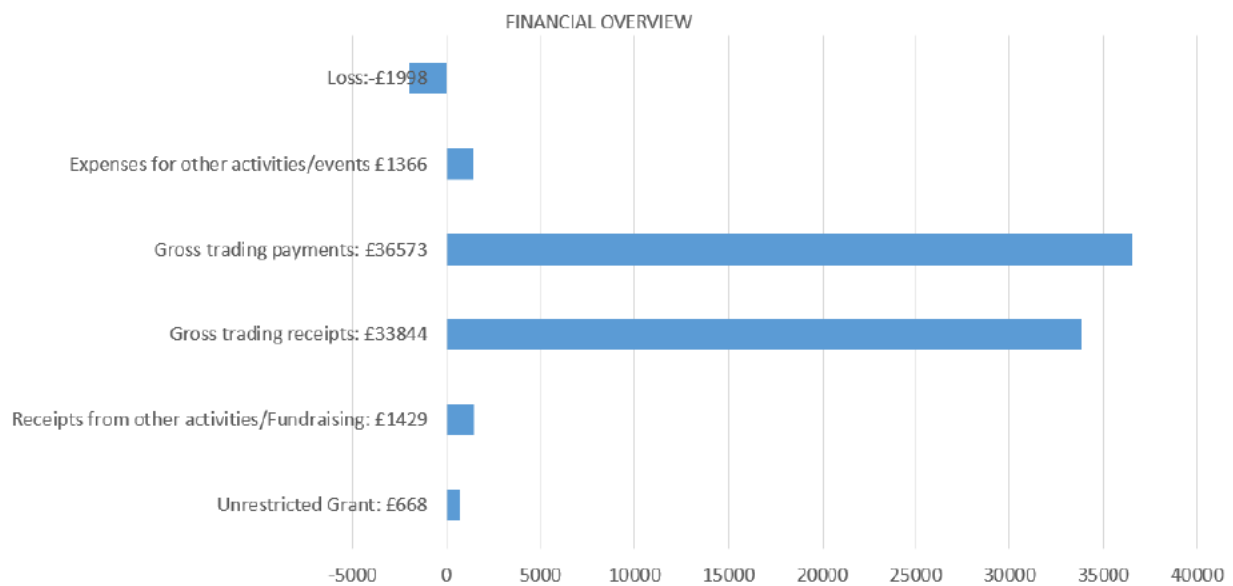

Veronique Miller presented a review of each class individually.

Three new committee members were voted to join the current committee.

[REDACTED] and [REDACTED] for marketing and event organisation, starting from May 2024. [REDACTED] was elected as vice president starting from September 2024.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention [other than that disclosed on the attached page*]

- which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
