What the charity does: Cromarty Care Project works to enhance health and wellbeing in the town of Cromarty. We strive to make support accessible by assisting local groups, addressing poverty and reducing social isolation through community-focused initiatives.

Beneficiaries: 'Older People', 'People with disabilities or health problems', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: The organisation's purposes are: To provide relief to those in health or social need by reason of age, ill-health, disability, rural isolation and other disadvantages. We will achieve these purposes by 4 .1 Identifying gaps in existing care provision and seeking ways to fill these 4 .2 Increasing resources to provide for the needs of the target group 4 .3 Supporting adults with social needs and their carers 4.4 Work with organisations such as the Highlands Senior Citizen's Network ? a charity that lobbies for involvement of older people in the design and provision of their own care.
