Activities

Activities: 'It makes grants, donations or gifts to organisations'

Purposes: 'the advancement of education'

What the charity does: Provide educational bursaries, ensure wellbeing and safety, receive stress, illness and lack of opportunities, give students the ability to become self sufficient and help the wider community

Beneficiaries: 'Children or young people'

Objectives: To advance the education of children in Malawi by providing educational bursaries allowing children who desire further education but whose families cannot afford school fees to receive education to secondary school level. To advance and build upon the students educational and health needs by providing a clean, healthy and safe environment where their educational and health needs can be met. To provide positive learning opportunities benefiting the students and their wider community by raising awareness and working collectively to break the cycle of poverty by increasing the education of the children and provide information on how best to utilise this education. To relieve stress, illness and lack of opportunities by providing an education which the students could otherwise not afford, giving the students the ability to become self sufficient and thereby helping their wider community.
