Activities

Activities: 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of environmental protection or improvement'

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: 4.1 To identify key areas and generate innovative ideas for environmental protection, addressing climate change, promoting and developing the green economy, biodiversity conservation, and sustainable development. 4.2 To enable like-minded individuals and communities and organisations to come together to protect the environment and to develop, promote and advance solutions to environmental concerns. 4.3 To promote and advance education and awareness of environmental issues by organising conferences, symposia, workshops, training, and other educational activities and events. 4.4 To create a range of research and other tools which will form a library of online resources for its members and others to access and use for educational purposes.

Geography

- **Main operating location:** South Lanarkshire
- **Geographical spread:** UK and overseas
