Achievements and performance

Summary of the main achievements of the charity during the financial period

Continued to support Ukraine and Bosnia with donations and training in rescue and medical equipment.

The warm space craft group has 25-30 people each week coming together for a cuppa and light snacks and to allow them to meet others in their local community. This has been a great success and some have been signposted to outside assistance by the ever present Mental Health First Aider.

We have sourced and supplied public access defibrillators within the local villages in the surrounding areas and completed free first aid training for local communities.

This has all been funded by our local fundraising efforts and a thrift stall which we continue to have at a local indoor car boot market manned by our volunteers on a weekly basis.

It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.</p>
