What the charity does: Samuel's Smile is set up to support children and families facing serious illness and difficult life circumstances, bringing comfort, hope and positive experiences at a time when they are most needed. The charity aims to make a real difference by easing emotional and practical pressures on families and helping children create happy memories despite challenging situations. We do this by raising funds through community events, donations and local support, and then using those funds to provide direct help to families, support services, and special experiences that bring joy and reassurance to children. We work closely with families and other organisations to ensure our support is thoughtful, meaningful and focused on individual needs. At the heart of everything we do is the belief that small acts of kindness can have a lasting impact, and that every child deserves moments of happiness and hope.
