Structure, Governance & Management

Tullis Russell Mills Band was originally established in 1919 but was incorporated as a Company Limited by Guarantee on the 19 January 2016 and governed by its Articles of Association. TRMB was registered as a Scottish charity in March 2016.

The affairs, property and funds of the TRMB are managed by a Board of Directors or charity trustees who are appointed by either the members at a general meeting or by the trustees themselves.

Objectives and Activities

TRMB was established to:

- Provide Musical education to the community in the Glenrothes area in Fife. This is achieved by providing tuition, instruments, equipment and facilities.
- Operate several community-based brass bands covering all levels of ability.
- Support the local community to learn and participate in brass bands.
- Provide musical performances for the local community and other organised groups.
- Be an ambassador for Scotland to foreign visiting bands.

To achieve these objectives TRMB operates two other brass bands namely the TRCB- Tullis Russell Community Band and the Wizards which is the beginner band. Both bands rehearse on Tuesdays every week at the International Fire and Rescue Association, Strathore Road, Thornton. Fife. KY1 4DF

Achievements and Performance

Over the past 12 months, following John Luke Harris standing as our conductor for our contests in April and May. He was then appointed as our Professional Musical Director in June along with our Resident Musical Director, Ross Donaldson.

The band attended the Northern Counties Contest in May where we placed 7th.

The band were invited to attend a local photo exhibition displaying photographs from Tullis Russell Mill.

We also attended memorial events in Markinch in June and November.

Moving into the summer period several members of the band attended local Stamp primary schools and summer events to recruit for our learners bands.

TRMB Limited

Trustees' Annual Report

For the year ended 31 January 2025

Our summer concerts this year included Ceres Highland Games and St Andrews Bandstand and Balbirnie Park.

The band have welcomed new players this year, but have had a few players leaving due to other commitments.

In September the band entered the Fife Charities Contest and placed 11th.

In the later half of the year we took part in 3 different Remembrance Sunday services.

We had a successful Christmas period where we held 3 Christmas concerts, including one in the Thornton Town Hall. All were well attended and raised a good amount of money for the band through the concerts and Christmas caroling.

We ended the year with a successful March at the Oddfellows Parade.

The band are now working toward preparing the test piece for the Scottish Championships and will be attending a Gala concert held by the Rotary Club next week.

Financial Review

TRMB received income of £15,446 primarily from donations, fundraising and performance fees. With expenditure of £17,263 the charity had an overall deficit of £1,817. However, the charity has a large notional depreciation charge of £6,593 on the capital value of instruments. Excluding the depreciation, the charity had a cash surplus of £4,776.

At the 31 January 2025 TRMB held total funds of £70,572, which consisted of £4,640 in the restricted fund which will be spent as specified by the donors, and £65,932 in the unrestricted fund.

The trustees have agreed that the charity should hold free reserves (the unrestricted funds less the value of tangible assets) of at least £15,000 to ensure that there are sufficient funds to pay liabilities as they fall due and, should income fall substantially, provide time to secure other sources of income. At the 31 January 2025 the charity held free reserves of £6,591 and had not met the target of £15,000. The trustees are planning to build up the free reserves during the coming year through performance income and funding applications.

This report has been prepared in accordance with the provisions for small companies under part 15 of the Companies Act 2006, was approved by the trustees on 17/03/25 and signed on their behalf by:

Independent Examiner's Report

I report on the financial statements of TRMB Limited for the year ended 31 January 2025 which are set out on pages 7 to 14.

Responsibilities and basis of report

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ("the 2005 Act") and the Charities Accounts (Scotland) Regulations 2006 ("the 2006 Regulations") and the Companies Act 2006.

I have satisfied myself that the charity is not subject to audit under Regulation (10)(1)(a)-(c) of the 2006 Regulations or company law and is eligible for independent examination. I have therefore examined your charity's accounts as required under section (44)(1)(c) of the 2005 Act and Regulation 11 of the 2006 Regulations. In carrying out my examination I have followed the guidance issued to independent examiners by the Office of the Scottish Charity Regulator (OSCR).

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. that accounting records were not kept as required by section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Regulations; or
2. that the accounts do not accord with those records; or
3. that the accounts do not comply with the accounting requirements of Regulation 8 of the 2006 Regulations; or
4. that there is further information needed for a proper understanding of the accounts.

Independent examiner's statement

I have completed my examination and I have no concerns in respect of any of the above and I have found no other matters that require drawing to your attention.

- (d) Financial Reporting Standard 102 (FRS102) (Effective January 2015),
- (e) Charities SORP (FRS 102) (2nd edition effective January 2019)

No changes have been made to the basis of preparation or to the previous year's accounts.

1.2. In preparing the accounts, the trustees were not required to make any judgements that would have a material effect on the numbers reported.

1.3 The charity meets the definition of a public benefit entity as defined by FRS102.

1.4 The charity is dependent on the continuing support of donors. However, the trustees have no reason to consider that this will not continue or that there are any material uncertainties about the charity's ability to continue as a going concern.

2 Accounting Policies

2.1 Form of Financial Statements

The charity maintains two types of funds for accounting purposes: -

- (a) A general unrestricted fund that can be expended at the discretion of the trustees on furthering the objects of the charity, and
- (b) Restricted funds that may only be used for specific purposes. Restrictions arise when specified by the donor or when funds are raised for specific purposes.

2.2 Income

(a) Income is recognised and included in the Statement of Financial Activities (SOFA) when the charity becomes entitled to the resources; their receipt is probable; and the monetary value can be measured with sufficient reliability.

(b) Where income has related expenditure the income and related expenditure are reported gross in the SOFA.

(c) Funds received in advance and which specifically relate to a future accounting period are treated as deferred income.

TRMB Limited

- (a) Expenditure is accounted for on an accruals basis.

2.4 Assets

- (a) Tangible fixed assets are capitalised if they have a value greater than £500 and can be used for more than one year. They are valued at cost or, if gifted, at their value on receipt.
- (b) Depreciation is calculated to write off the cost of tangible assets over their useful economic life as follows;

Instruments – 10% reducing balance

Uniforms & equipment – 20% straight line.

2.5 Debtors

- (a) Debtors are recognised at the settlement amount due
- (b) Prepayments are valued at the amount prepaid

2.6 Cash

Cash at bank and in hand includes cash and bank deposits repayable on demand

2.7 Creditors

- (a) Creditors are recognised where the charity has an obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due can be measured or estimated reliably. Creditors are normally recognised at their settlement amount, usually the invoice amount.
- (b) Accrued charges are normally valued at their settlement amount.

2.8. Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2.9 Taxation

The charity is not liable to income or capital gains tax on its charitable activities. Irrecoverable VAT is included in the asset cost or expense to which it relates.
