Report

Ardgour Improvements has remained in abeyance for this financial year. As we have not had any income or payments we have not received any statements from the bank. Efforts have been made to close the company but it has been complicated by not being able to access the bank account, we believe we have found a way to do this and hopefully this will happen in the financial year 2025-26.

Financial Statement

For the financial year 2024-2025 the company has received no income and had no expenses. The accounts remain the same as last year at £305 in the bank.

No bank statements have been received as there has been no transactions.
