Dear Sir/Madam

Financial Report 2020/2021

There have been no financial incomings or outgoings over this period so there is zero to report in terms of finances for this year.

I trust that this declaration together with the TAR submitted with this letter is sufficient to explain our position for the year in question.

In light of the impossible situation with the Covid pandemic the board of directors has agreed to the winding up of the company which we will begin as soon as possible in 2022.

Yours Sincerely

Artistic Director
