What the charity does: The object is to advance the education of the pupils at Tollcross Primary School by providing and/or assisting in the provision of facilities for their education, health and wellbeing. We aim to upgrade, revitalise and, where appropriate, replace play facilities in the playground of Tollcross Primary School in order to promote the health and wellbeing of school pupils, encourage active children and enhance the opportunities for outdoor learning at the school. The playground also caters for nursery children, children attending Gingerbread after school and holiday club and Tollcross Community Centre and is open to the public outside of school hours. The main fundraising activities are through events for the school, seeking corporate donations from local business and applying for grants and donations.
