- The advancement of citizenship and community development through the acquisition of skills to aid develop of social and environmental awareness, leading to responsible behaviour within the community. - The advancement of environmental protection by organising and conducting regular underwater surveys and conservation events at Preston Hill Quarry in conjunction with Marine Conservation Society. ACHIEVEMENTS & PERFORMANCE

Potential use-cases for Preston Hill Quarry

The club has continued to utilize access to the quarry via the road managed by Fife Coast and Countryside Trust.

The Trustees agreed in a previous reporting period to abandon any plans to establish a permanent base at the quarry and that position has not changed during this reporting period.

Nonetheless, the Trustees have decided to continue diving operations at the site and to use it as a base for entry-level and refresher diver training.

The Trustees are aware of a possible planning appeal by the development company to the Scottish Government Reporter which, if successful, will mean the club is no longer able to use the site for diving. The Trustees will continue to monitor developments concerning any possible appeal.

Club Status

The Trustees are conscious that a long-held donation for the sum of £500 has remained unused in the club bank account, incurring neither interest nor charges.

The Trustees do not consider this a suitable use of funds and were minded to invest the funds in a scuba regulator servicing course to be able to provide members with the facility to have their equipment serviced by the charity at favorable rates compared to 3rd party providers.

However, the possibility of a successful appeal to the Scottish Government Reporter by the development company has once again put this plan on hold. Should the appeal be successful the Trustees have decided to return the funds to Inverkeithing Community Council and a vote taken on the future of the club and charity.

FINANCIAL REVIEW

Overview

No transactions took place during the year. At the year-end, cash balances totaled £530, comprising a grant of £500 towards the cost of the first diving course and unrestricted funds of £30.

Reserves Policy

A reserves policy will be put in place once the training course programme commences. Reserves at the year-end were £30 (2022: £30)

FUTURE PLANS

The Trustees met on 12th April 2025 to review options for the charity and to take a final decision on the future direction of the charity.

The outcome of the meeting was that the Trustees are of the view that while the possibility of a successful appeal by the developer remains it will be difficult to plan with any degree of certainty a future road map for the charity.

Reluctantly this has meant that during the reporting period no firm plans for the future of the club and charity could be made.

Once the outcome of the appeal is known the trustees will meet to determine the future of the charity.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 ("the 2005 Act") and the Charities Accounts (Scotland) Regulations 2006 (as amended) ("the 2006 Regulations"). Basis of Independent Examiner's Statement

My examination is carried out in accordance with Regulation 11 of the 2006 Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter came to my attention: -

1. which gives me reasonable cause to believe that in any material respect, the requirements
 - to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
