Fifers for the Community

Trustees' Annual Report *(continued)*

Year ended 31 August 2025

Structure, governance and management

Fifers for the Community (FFTC) is a Scottish charitable Incorporated Organisation registered as a charity being established by constitution. The organisation was registered as a charity from 19 August 2016.

Organisation

At each AGM all of the Trustees must retire from office and are deemed to be re-elected unless any one of them advises the Board prior to the conclusion of the AGM that he/she does not wish to be reappointed.

Risk assessment

The board of Trustees has assessed the major risks to which the Society is exposed, in particular those related to the operations and finances of the Society and are satisfied that systems are in place to mitigate our exposure to the major risks.

Objectives and activities

The aims of the charity are as follows:

- To increase public participation in sport in the local area.
- To provide sports facilities for community use.
- To promote better health and wellbeing the provision of sports facilities.
- To promote, establish or operate other projects with any other similar/related purposes and to support other projects and initiatives with charitable purposes.
- To advance citizenship and community development by encouraging volunteering within the organisation.

Achievements and performance

During the period to 31 August 2025 the charity carried out various activities in pursuit of the above stated aims.

- Continue operation of the community 3G facility which is the bedrock of our charity and has now been in operation for 9 years at the end of this accounting period.
- As stated previously the facility is utilised at 100% during the core hours and the Trustees decided the efforts of the Community Development Manager (CDM) should continue to be directed towards other projects.
- The CDM continues to work on community projects supported by Trustees as required.
- Work has continued, using existing funding, on identifying shortfalls and looking for solutions to assist in the provision of mental health support.
- Work continues on the SGN funded safe and warm scheme. After training FFTC Trustees have broadened the scope of our involvement.
- FFTC's CDM is now leading a working group actively involved in the establishment of new 3G football pitch complete with fencing, lighting and access road at Greig Park, Windygates.

Fifers for the Community

Trustees' Annual Report *(continued)*

Year ended 31 August 2025

Achievements and performance *(continued)*

- All reasonable assessments and evaluation have been carried out on the turbine and panels at Bayview. Negotiations continue as FFTC look for sources of funding but progress is very slow.
- With renewal of the existing pitch due in mid-2026 work has started on identifying the best surface available at a cost we can afford (in conjunction with SFA funding) which will last an expected 8-9 years.

Financial review

The charity's policy is to hold sufficient unrestricted reserves to ensure the continued operation of its services and to meet any potential unforeseen commitments identified as part of a risk management assessment process.

There are no significant issues to be addressed.

Pitch revenue is down by 4.5% due mainly to an easing of usage by EFCFC and a spell of cancellations due to bad weather I Nov/Dec 2024.

Total expenditure is up by around 15%. Due partly to general cost of living increases but also reflecting the first effects of electricity standing charges.

Support from SGN remains strong and should remain so through 2025/26.

There has been no write-off for bad debts and the £17K debtors balance is all recoverable.

The charity has generated a deficit of £3,189 at 31 August 2025 (2024: surplus £10,856) and total reserves stand at £471,094 (2024: £474,283).

Plans for future periods

The following aims have been agreed by the Trustees, namely:

- Following the success of our involvement in establishing a mobile mental health unit to cover weekend incidents, FFTC are now starting work on a project where a child's behaviour and attendance at school suggests that support for the parents may go some of the way to improving the situation. Support is being provided by schools, Fife Voluntary Action with FFTC as the facilitator.
- With SGN funding secured for calendar year 2025 FFTC will continue to advise on safety advice and advice on how to secure social support.
- FFTC's CDM continues to drive the Greig Park working group and has now secured local support as well as support from local elected officials. A major coup has been the support of Diageo who have granted a long term lease on land required for car parking. Work is continuing to prepare detailed applications to the SFA and Levenmouth Rail Project.

Fifers for the Community

Trustees' Annual Report *(continued)*

Year ended 31 August 2025

Plans for future periods *(continued)*

- Work to create a Community Power Company in conjunction with Fife Council and other partners will continue. This project will include the turbine and panels currently in place as a first step. Discussions with Community Energy Scotland and various other potential partners continue on what is proving to be a long and complicated process.
- Community use of our 3G facility at Bayview continues to be our prime concern and Trustees are continually looking at how to control facility costs so that hire costs continue to make the facility accessible to all.

The trustees' annual report was approved on 5 June 2026 and signed on behalf of the board of trustees by:

Fifers for the Community

Independent Examiner's Report to the Trustees of Fifers for the Community

Year ended 31 August 2025

I report to the trustees on my examination of the financial statements of Fifers for the Community ('the charity') for the year ended 31 August 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 (the '2005 Act') and the Charities Accounts (Scotland) Regulations 2006 (as amended). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 44(1)(c) of the 2005 Act. In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Independent examiner's statement

Since the charity has prepared its accounts on an accruals basis your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member of ICAS which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 44(1)(a) of the 2005 Act and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006 (as amended); or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Fifers for the Community

Notes to the Financial Statements

Year ended 31 August 2025

1. General information

The charity is a public benefit entity and a registered charity in Scotland and is unincorporated. The address of the principal office is 2 Brady Crescent, Methil, Leven, Fife, KY8 3JP.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities and Trustee Investment (Scotland) Act 2005 and the Charity Accounts (Scotland) Regulations 2006 (as amended).

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Fifers for the Community

Notes to the Financial Statements *(continued)*

Year ended 31 August 2025

3. Accounting policies *(continued)*

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably. - income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Fifers for the Community

Notes to the Financial Statements *(continued)*

Year ended 31 August 2025

3. Accounting policies *(continued)*

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Fifers for the Community

Trustees' Annual Report *(continued)*

Year ended 31 August 2024

Structure, governance and management

Fifers for the Community is a Scottish charitable Incorporated Organisation registered as a charity being established by constitution. The organisation was registered as a charity from 19 August 2016.

Organisation

At each AGM all of the Trustees must retire from office and are deemed to be re-elected unless any one of them advises the Board prior to the conclusion of the AGM that he/she does not wish to be reappointed.

Risk assessment

The board of Trustees has assessed the major risks to which the Society is exposed, in particular those related to the operations and finances of the Society and are satisfied that systems are in place to mitigate our exposure to the major risks.

Objectives and activities

The aims of the charity are as follows:

- To increase public participation in sport in the local area.
- To provide sports facilities for community use.
- To promote better health and wellbeing through the provision of sports facilities.
- To promote, establish or operate other projects with any other similar/related purposes and to support other projects and initiatives with charitable purposes.
- To advance citizenship and community development by encouraging volunteering within the organisation.

Achievements and performance

During the period to 31 August 2024 the charity carried out various activities in pursuit of the above stated aims.

- Continue operation of the community 3G facility which is the bedrock of our charity and has now been in operation for 7 years at the end of this accounting period.
- As stated in the 2022/23 report the facility is working at 100% during the core hours and the Trustees decided the efforts of the Community Development Manager would be better directed towards other community projects which are detailed later in the report.
- To assist the CDM, two Trustees and a paid employee are working on various community projects.
- Work has continued, using existing funding, on identifying shortfalls and looking for solutions to assist in the provision of mental health support.
- Participation in the funded Scottish Gas Network Safe and Warm scheme is continuing as detailed in the 2022/23 report. An application has now been made to SGN to expand the scope of the project. This would involve advice, where required or requested, on energy management and direction to support services. Training for this will be provided by SGN.

Fifers for the Community

Trustees' Annual Report *(continued)*

Year ended 31 August 2024

Achievements and performance *(continued)*

- Due to FFTC's previous experience in establishing a 3G pitch facility we have been asked to join a working group trying to provide a similar community facility. Our CDM has joined the group in an advisory capacity but to date has been a major driver of the project.
- FFTC have developed the opportunity to work with Fife Council on the purchase of an existing wind turbine and solar panel array. This has been a slow process but reports and assessments to move the project forward have been prepared.

Financial review

It is the policy of the charity to maintain sufficient funds to cover foreseeable costs, specifically a replacement 3G surface. A Sinking Fund, which was set up in December 2019, has a balance of £125,000 and is in line with the forecast that possible replacement required in Spring 2026 or almost certainly in Spring 2027. After the annual provision for pitch replacement has been made, community use of the pitch operates at break even.

To meet cost of living increases FFTC have found it necessary to increase prices by an average of 3.7%. Increased prices were introduced in August 2024. FFTC facility finances will come under increased pressure through the need to compete with Council operated facilities which enjoy certain maintenance and VAT advantages.

Costs to maintain ALL projects other than the original Bayview 3G facility must be met from grants or specific fundraising. Revenue from 3G pitch hires will be non-transferrable.

Plans for future periods

The following aims have been agreed by the Trustees, namely:

- Having secured additional funding for 23/24 we have identified potential funders and applications are being prepared to cover mental health support programmes through 24/25.
- As above, funding for 23/24 was secured and work will continue to secure funding and improve the provision during 24/25.
- With a major project such as a community 3G football facility new issues constantly arise and need resolved. Our CDM will continue his role as a facilitator. A major step in early 2025 will be secure provisional quotations and hold a public meeting. The group will be able to listen to and address any local community concerns. A target will be to secure community support and all necessary planning permissions by the end of 2025.
- Work to create a Community Power Company in conjunction with Fife Council will continue. Discussions with Community Energy Scotland to establish the appropriate type of company required to manage the facility will take place in early 2025. After some additional assessments on the condition and value of the asset will allow positive discussions on the purchase.

Fifers for the Community

Independent Examiner's Report to the Trustees of Fifers for the Community

Year ended 31 August 2024

I report to the trustees on my examination of the financial statements of Fifers for the Community ('the charity') for the year ended 31 August 2024.

Responsibilities and basis of report

As the trustees of the charity, you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 (the '2005 Act') and the Charities Accounts (Scotland) Regulations 2006 (as amended). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 44(1)(c) of the 2005 Act. In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

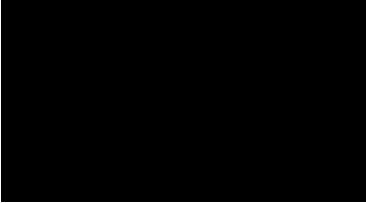

Independent examiner's statement

Since the charity has prepared its accounts on an accruals basis your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member of ICAS which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 44(1)(a) of the 2005 Act and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006 (as amended); or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes on pages 8 to 13 form part of these financial statements.

Fifers for the Community

Notes to the Financial Statements

Year ended 31 August 2024

1. General information

The charity is a public benefit entity and a registered charity in Scotland and is unincorporated. The address of the principal office is 2 Brady Crescent, Methil, Leven, Fife, KY8 3JP.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities and Trustee Investment (Scotland) Act 2005 and the Charity Accounts (Scotland) Regulations 2006 (as amended).

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

3. Accounting policies *(continued)*

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably. - income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Fifers for the Community

Notes to the Financial Statements *(continued)*

Year ended 31 August 2024

3. Accounting policies *(continued)*

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
