**What the charity does:** Animal Action Cyprus was established in 2014 with the aim of helping sick and injured homeless animals in Cyprus. We support the rehoming of cats and kittens within Cyprus and overseas in conjunction with Tala Cat Park (Cyprus registered charity PAF/S/86.) We also have number of cats in our care that are unsuitable for re-homing through life-limiting conditions or disabilities. We work with communities across Cyprus offering advice and financial assistance in support of animal welfare.

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** Our aims and objectives are to work with communities in Cyprus caring for sick and injured homeless animals in distress. Once rehabilitated, we strive to re-home the animals in our care within Cyprus and throughout Europe or reintegrate them into the community.
