Activities

Angus Canoe Club is multi-disciplinary and provides taster sessions, winter pool sessions, monthly river trips and some training courses to members.

Pool sessions take place from October to March each year in Websters Sports Centre, Kirriemuir. Pool sessions recommenced again in October 2025. Available dates and times of the pool sessions are out with the Clubs control.

The New Year Paddle is a popular event and is followed by a social gathering usually at a local restaurant.

Angus Canoe Club is affiliated to Forfar Sailing Club. This arrangement provides access to changing and toilet facilities, a small kitchen area, and access to another form of water sport. Each year the club takes part in the Forfar Sailing Club Open Days, activities we intend to continue in an effort to boost interest and membership.

From May onwards regular evening trips on local rivers and lochs takes place under the banner "Improvers". These are open to anyone but with an emphasis on those leaving the pool sessions, the Improvers remain very popular with members. Unfortunately, a particularly dry summer followed by severe storms prevented the regular calendar of monthly trips and activities from taking place as much as the committee and club would have wanted.

Regular requests for support in the form of water safety at local venues for national open water swimming events and triathlons continued to form a considerable portion of club income.

Achievements and Performance

The management committee remain committed to providing trips, training and pool sessions. These topics both form a standing item on the monthly meeting agenda.

Financial review

The club's main source of funding is in membership fees (which are charged to all members) and equipment hire fees which are charged to members and non-members alike, where appropriate. Another source of income is the water safety the club provides for external events.

No grant applications were made this year. This is likely to change with the recent introduction of Standards for Deployment issued by Paddle UK and Paddle Scotland last year and updated in September 2025.

Recent changes to charity law mean that personal data contained within this document will soon be published on the OSCR web site.

Reserves Policy

The Club has maintained its Financial Reserve. This continues to form part of the monthly financial discussion in committee. A calculation of the level of reserve is contained in the Reserves Policy. This took effect from the start of the 2022 Accounting Year.

Plans for future period

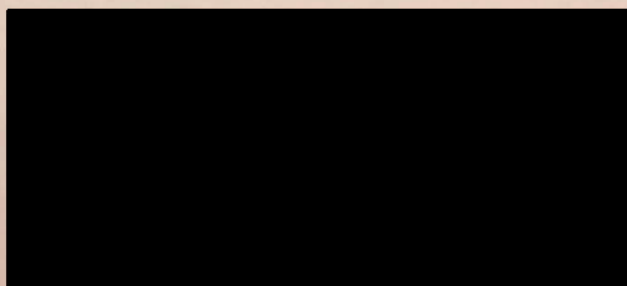

The trustees remain committed to developing the club with the help of the wider management committee. More detailed development plans can be found in the Angus Canoe Club Development Plan 2024 – 2027. As the club enters its tenth year as a SCIO the committee is well aware of the immediate challenges: coaches and leaders, developing club members qualifications, particularly in light of Standards for Deployment.

Events and activities for all members will continue to be promoted across the club. Gift Aid will focus prominently as the club moves forward into 2026.

Standards for Deployment

Paddle Scotland on phasing in *safeguarding and safety standards for deployment followed by the coaching and leading standards with the aim of continuing to ensure that every paddler has a safe and enjoyable paddling experience. Paddle Scotland is committed to supporting affiliated clubs in the next stages of implementation and has a range of support and tools available. (Version 1.1 May 2024, updated September 2025).*

Funding at both a Club and an individual level are available. Not all costs can be met but a significant proportion should be covered. The requirement for training/CPD/qualifications applies to both paddling roles (eg coaching) and non-paddling roles (eg committee/trustees). The Club management committee are committed to assisting wherever they can, and in any way that they can, in an effort to address these challenges.

I report on the accounts of the charity for the year ended 31 October 2025 which are set out on pages 7 to 10.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply.

It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

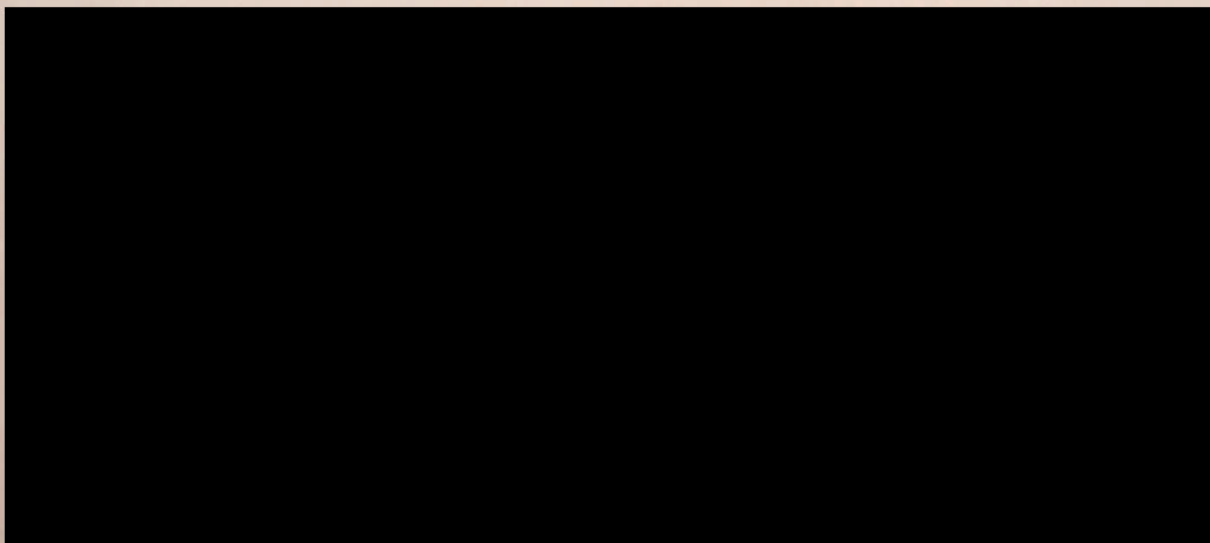

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
