Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science'

What the charity does: Cromar Future Group seeks to promote science and technological education in the Upper Deeside area of Aberdeenshire. It does this by running a weekly youth club for young people. by offering talks on topics of interest. by loaning science activity kits to local schools and providing training for teachers. by participating in a Scottish Government scheme to improve digital literacy by loaning computers to those without facilities.

Beneficiaries: 'Children or young people', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: The organisation is established for charitable purposes only, and in particular, the objects are:
4.1 The advancement of scientific and technological education 4.2 The advancement of science 4.3 In furtherance of these objects, our activities will include: 4.3.1 making science and technology talks and activities available locally, either provided by ourselves or by our partners 4.3.2 promoting science and technology locally and facilitating contacts between educators, researchers and the local Community 4.3.3 promoting the establishment of after-school and adult science and technology clubs

Geography

- **Main operating location:** Aberdeenshire
