APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

We maintained a 'good' rating from the Care Inspectorate inspection. We continue to offer a valued and well respected service for the pupils and parents of Kirklandpark Primary School.

We continue to impact the health and wellbeing of our community by offering a safe, affordable and valued space for our children to access before and after school.

Our volunteer board of trustees work tirelessly to oversee staff, staff training and policy construction and maintenance, in line with SSSC standards.

Financial review

Brief statement of the charity's policy on reserves

Reserves have decreased due to the deficit within the year, however they are still at a level which ensures KASC can function without any issues.

Details of any deficit

Due to large increases in minimum wage and other costs KASC did post a deficit for the year 24-25. We have increased our charges since then, however we have not passed on the full increase and will explore external funding options to ensure that parent's receive the best value for money during this cost of living crisis.

Donated facilities and services (if any)
