The advancement of health and well-being and the provision of recreational facilities are also key aims of the charity.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

As discussed with the OSCR team in recent telephone conversations, FITkidz Academy's fundraising activities to date have so far been unsuccessful - due, in no small part, to the current economic downturn. The present financial climate is evidently making it harder for charities, particularly recently established ones like FITkidz Academy, to raise the seed funding and ongoing sponsorship necessary to support our charitable initiative's implementation and get it off the ground.

In view of this, we have been advised to declare that FITkidz Academy's status is currently 'dormant', pending successful funding bids in the future. This status is reflected in the null accounts declared in the corresponding document. We hope that fundraising efforts will be much more fruitful over the forthcoming financial year.
