### Achievements and performance

#### Summary of the main achievements of the charity during the financial period

With the stepping down of the previous trustees in June 2024 this financial period saw a settling in period with the new board. However as member of the club for several years the transition period was smooth and well managed with the support of the outgoing Chair and founder of the club.

Competitively we have one Under 14, one Under 16, two Under 18 teams, one senior women and one senior men's teams playing in leagues. Our community sessions were put on hold due to changes in the coaching team however we were able to create additional classes for two Development teams, one in the Under 12-14 age group and another in the Under 16-18 age group. Again this year there was a significant increase in player registration and the waitlist of children who would like to participate continues to be managed via the Development team route.

Planning for the next season was severely impacted by the loss of the let at Clyde Primary, a venue that we played in five nights a week and most of the teams had at least one session. Thankfully we were permitted to play out the rest of the season to Summer 2025 at the venue and we will continue to search for alternative venues for next season however this will have a significant impact on pre-season planning.

Retention and recruitment of key volunteers was critical to the success as well as upskilling new and existing volunteers. Unfortunately, we lost two of our coaches at the beginning of the season but we were able to recruit an additional four coaches as well as supporting a number of parents and players to complete table officiating qualifications. We have continued to develop some of the older players into assistant roles to supporting the coaches with the younger teams.
