Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Our charity is set up to make opportunities available for those who wish to study art via the atelier system, regardless of financial status or prior experience. Also to provide financial assistance to those who have progressed through the courses but have been unable to complete due to an unforeseen change in circumstances. The money for this comes through fundraising events and through a popup charity shop selling items donated by students, friends and relatives and anyone else we can rope in.

Beneficiaries: 'Children or young people', 'Older People', 'No specific group, or for the benefit of the community'

Objectives: 4 The organisation's purposes are: 4.1 To provide facilities and educational resources (that would otherwise not be available) for Edinburgh Atelier of Fine Art. 4.2 To provide financial assistance and opportunities for participation by people who might otherwise be excluded. 4.3 To advance atelier art at a national level, encourage high standards by raising artistic skills and nurturing talent, and contributing to the cultural life of the nation.
