ACHIEVEMENTS AND PERFORMANCE

Review of the year

As we approach our 10th birthday, we recognise God's sovereignty, grace and provision in all circumstances. From small beginnings back in 2016, we give great thanks to God for His continued faithfulness to Hope for Addiction UK.

We reflect on the past year of Gospel Ministry and serving the needs of those in addiction. Two things in particular stand out: the sad reality of the increase in demand for our services; and God's mercy to us in providing all that we need.

We continue to work against the dark background of mounting substance and alcohol abuse in our nation:

"Suspected drug deaths in Scotland: July to September 2025 - There were 898 suspected drug deaths recorded in the first nine months of 2025. This is 8% (65) greater than during the same period of 2024 (833). After following a downward trend in 2024, the rolling 12-month total of suspected drug deaths has increased over recent quarters."

<https://www.gov.scot/publications/suspected-drug-deaths-scotland-july-september-2025/pages/2/>

"Alcohol Consumption: Despite the drop in deaths, public health reports in June 2025 noted that people in Scotland are drinking 50% above safe limits, causing ongoing concern about future health impacts."

<https://publichealthscotland.scot/news/2025/june/scotland-s-alcohol-consumption-continues-to-exceed-safe-levels/>

"Hospital Admissions: Data released in January 2026 showed 29,430 alcohol-related hospital admissions in 2024/25."

Hope for Addiction UK strives to be part of the bold and consistent plan delivering uniquely a Christ-centred road to recovery. We offer community rehab - in person and online - through our day and evening programmes and support via one-to-ones plus individually designed mentoring.

We are now approaching the end of our 3-year missional plan. We are intent and organisationally designed to be a multiplying ministry meeting demands that come our way from anywhere in the UK (or beyond). We seek to partner with gospel churches in their own locale where the Bible is taught faithfully. We wish to see the local church mobilised to do the historic work of The Church in reaching out to those in need and lost in addiction.

Following an introduction phase, we train and support partner churches who then host their own 'Road To Recovery' (R2R) meetings. We continue with this training, coaching and support with a view to building long-term self-sustaining ministries in local communities. None of this is simply academic. Our training is forged in real life ministry. Our trainers are practitioners who share not just knowledge but lived experience. They help others navigate the challenges and opportunities of ministering to those in addiction because they are doing it themselves.

HOPE FOR ADDICTION UK LTD

Report of the Trustees for the Year Ended 30 September 2025

We have 3 established multi-year partnerships with: Musselburgh Baptist Church, nr Edinburgh; Trinity Church Everton, Liverpool; and, The Tron Church, Glasgow. We rejoice in these partnerships. Total interventions across these 3 locations now total 5224 (Liverpool - 676; Musselburgh - 832; Glasgow - 3716). Our hope and prayer for all those who use our services is that they become clean from all substances and connected to their families, communities, a local church and ultimately to the Lord Jesus Christ.

We continue to see God's leading in our work with churches in new locations. It is our united hope that these might come to fruition during the next financial year serving those in their immediate vicinity with a Christ-centred approach and biblical understanding of addiction.

In January 2025, Fiona Oliphant joined us to help expand our growing women's work. Fiona brings with her over 20 years' experience of senior ICU Nursing combined with a master's in biblical counselling. Most recently she has completed the 2-year Cornhill Training Course. We are delighted to welcome Fiona to work alongside Nicki Adams, doubling our women's work resources which are now in their 4th year. 60 different women have attended throughout the year with 39 engaging in 1-2-1 support through 150 individual sessions with the highest frequency being 34.

The charity's trustees consider that there is a Genuine Occupational Requirement (GOR) under schedule 9 of the Equality Act 2010 for all staff to have a personal commitment to the Christian faith and to identify as Evangelical Christians. This is essential, as the nature of the work requires staff to provide spiritual leadership, represent our core religious ethos to the public, and maintain the doctrinal integrity of our evangelical mission. All staff are required to uphold and promote the charity's Statement of Faith in their daily duties.

Over the past 9 years, God has entrusted us with a growing wealth of insight into how The Gospel speaks into addiction and indeed everyday life. This wisdom isn't locked away in a training manual (although we have one!) - it is being lived out by our team daily who shape and sharpen our approach. This learning isn't just for us, and we wish to make it available to Christians everywhere - especially those seeking to reach those caught in addiction with the life-changing good news of Jesus Christ. This is why we are committed to thought leadership, and it is becoming a growing part of our work. We have posted multiple blogs on our website together with weekly carousel posts and reels on Instagram. These are some of the examples of how we're seeking to help Christians speak into real-life situations with Gospel clarity.

Following 8 years as tenants of the Epaphras Trust and based in the Kelvingrove area of Glasgow, we relocated in summer 2025 to more modern premises in the nearby area of Maryhill. This move has been a blessing in many ways, and we are grateful to our new Landlords - Queens Cross Housing Association. Our client group are enjoying the facilities, and we were able to launch a new mid-week café programme which has allowed our invitees to explore what the Bible has to say about addiction in a more relaxed setting.

The Trustees met 4 times during the year to conduct the general business of the Charity and specifically re-approved the arrangement appointing Bryan Duncan on a consultancy basis. The remit covers 3 key areas: Strategy; Governance and Performance and has been extended until September 2027.

for the Year Ended 30 September 2025

And finally, we again give thanks for our front-line team of Terry, Alan, Nicki, Fiona and Euan - whose perseverance, endurance and grace continue to know no limits. Throughout the year the team delivered: 125 group sessions plus 150 women specific on-line support groups; multiple 1-2-1's with 60 women and 101 men; 130 hybrid road-to-recovery meetings attended by 161 individuals; lectured at GLO mini bible school and Cornhill Scotland; preached in 24 Churches around the UK; presented at the Basics Conference Ohio, Keswick Ayrshire, Rainbow House, Melville Knox School, Praise Gathering Reunion and Cornhill's EMC; attended ROSC/VSDAA/GCA events; hosted lunches for Pastors and Church Leaders with whom we have mutual attendees; and took part in the FIEC Annual Leaders' Conference, BCUK's Annual UK Conference, and our counterpart Hope for Addiction Inc.'s 10th Birthday celebrations in Arizona.

To God alone the glory.

FINANCIAL REVIEW

Reserves policy

In the Trustee's review, the reserve should provide the charity with adequate financial stability to meet its current obligations and the means for it to meet its charitable objectives in the short term.

From our Surplus this year, we have elected to continue with an amount of £100,000 to be held in reserves which gives adequate liquidity for the charity to meet its charitable objectives for approximately six months.

The trustees regularly monitor the charity's cash reserves to ensure that the charity can continue to meet its obligations.

Going concern

In accordance with their responsibilities as trustees, the trustees have considered the appropriateness of the going concern basis for the preparation of the financial statements.

FUTURE PLANS

- Continue providing our day programme and weekly cafe, making improvements when necessary.
- Continue providing our evening Road-to-Recovery meetings in all locations.
- To build further and enhance the service provision by expanding our front-line staff team.
- To provide training and awareness raising about our Biblical approach to addiction.
- To continue to build a network of support for our organisation among individuals and gospel churches regardless of location.
- To ensure that we implement our strategic objectives contained in our Development Plan.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

For a person to be eligible to be appointed as a trustee it is not necessary that he or she is a full member of the Trust. Trustees are recruited and appointed to maintain a minimum number of four and this is reviewed at each Annual General Meeting.

The six trustees below are the only subscribers to the memorandum and articles of association:

- B G Duncan
- T P M McCutcheon
- V Walker
- Rev R N Gamble
- Mrs Jillian Ferguson
- Mrs Stephanie Brennan (appointed 17 April 2025)

Key management remuneration

The Trustees are grateful for the resources that have become available to execute the need to purchase a manse for our Executive Director. With careful and considered financial management over the years, it has been possible for the charity to now make this planned move during this financial year to support the ministry. The title is vested in the charity with the Executive Director and his family contributing to the purchase. The arrangement is governed by a minute of agreement. The balance sheet records the net position for the charity.

Independent Examiner's Report to the Trustees of
Hope for Addiction UK Ltd

I report on the accounts for the year ended 30 September 2025 set out on pages eight to eighteen.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
