

Even Keel
Trustees' Annual Report
January 2023 – Dec 2023

Charity contact information

Even Keel

Scottish Charity Number: SC047685

Objectives and activities

Even Keel gained charitable status in August 2017. The objective was to work with young people whose lives are out of balance and support them to get back on an even keel. Our charitable purposes are as follows:

- The advancement of education
- The advancement of citizenship or community development

Activities

Pre covid, the charity experienced successful projects. However, the 2 year hiatus thereafter had a detrimental affect on activities and also saw a change in circumstances for Trustees. In view of that, Trustees sought approval from OSCR to dissolve Even Keel and once outstanding invoices had been settled, re-allocate remaining funds to an approved charity. The recipient charity was The Venchie Children & Young People's Project.
