Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the advancement of environmental protection or improvement', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Green Hive specialises in volunteer-led projects and other community initiatives that help to protect, restore and sustainably develop the public spaces and rural habitats of Nairn and Nairnshire - cultivating skills, building social connections and improving health and wellbeing outcomes for residents and visitors. In November 2022 we took ownership of Seaman's Hall in Nairn. As well as providing rentable spaces for local groups, Seaman's Hall is a base of operations for our own programmes for volunteers. The Green Hive Community Workshop at the Balmakeith Industrial Estate on the eastern side of Nairn is a community making-space and social enterprise. Here we support participation, skills development and positive environmental action by working with volunteers to take discarded plastics out of the local ecosystem - converting these into useful everyday items for sale.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The Company's purpose is the advancement of citizenship or community development (including rural or urban regeneration), the advancement of environmental protection or improvement and the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage.

Geography

- **Main operating location:** Highland
- **Geographical spread:** Wider, but within one local authority area
