Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Objectives and aims ? To enable adults who are unable to access the internet, particularly the over 65s, to do so, for their own benefit and that of their community and society as a whole ? To help build digital skills and confidence so that people can make more effective use of online resources and digital technology. ? To provide this service 'where people are', wherever possible – in their own familiar community settings or 1:1 in their own home. and ? To work in partnership as opportunity arises with other people, community networks and organisations with an interest in the welfare of these potentially vulnerable groups, for mutual benefit. Activities in place to further these objects ? Helping people to get online effectively through a combination of one to one and small group activities in accessible community locations and online ? Providing additional support where necessary to include people with additional needs.

Beneficiaries: 'Older People', 'People with disabilities or health problems', 'People with a particular ethnic or racial origin'

Objectives: The company's objects are: - 4.1 to enable adults who are unable to access the internet, particularly the over 65's, to do so, for their own benefit and that of their community and society as a whole. 4.2 To help build digital skills and confidence so that people can make more effective use of online resources and digital technology. 4.3 To provide this service 'where people are' wherever possible - in their own familiar community settings or 1:1 in their own home 4.4 To work in partnership as opportunity arises with other people, community networks and organisations with an interest in the welfare of these potentially vulnerable groups for mutual benefit.
