

DALBEATTIE PLAYGROUP SCIO, SC047784

ANNUAL REPORT – YEAR END 30TH SEPTEMBER 2021

ACHIEVEMENT AND PERFORMANCE

After an extended pause due to the pandemic and the unknown nature of the future of childcare we finally were able to move forward with moving premises. Dalbeattie Playgroup SCIO took on the lease for the new property at Copland Street, 1st April 2021. Renovations have started on the building; the committee and staff are all volunteering their time to renovate the building.

The service is still being run under the financial and administrative management of Dalbeattie Playgroup.

For 2022 we will work with Care Commission to start the process of moving over the service to the SCIO control.
