Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education'

What the charity does: H3Uni is an educational charity set up to advance ideas, knowledge, understanding and methods for second order systemic learning and application in the Anthropocene epoch. To this end we provide online educational courses, dialogues, study groups and occasional in person events.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The Purposes of the Enterprise ('the Purposes') are to promote and advance the education of people internationally by way of a global educational initiative whereby people can learn, apply and contribute to the creation of skills and know-how in order to develop core abilities needed to create a better world according to the ethos and vision of a third horizon of human civilization thereby advancing education and practical wisdom in sustainable one-planet living.
