Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We provide horse riding sessions to local children in our area who have physical or mental health issues that can benefit from the therapeutic effects of riding and spending time with horses and ponies. We are completely self-funding and have to raise necessary funds to pay for the hire of a stable yard, riding arena and the use of several ponies along with the equipment required to deliver the riding sessions and to train our volunteers so they can attain the required skills and qualifications to carry out our work. We liaise with local schools who usually select the pupils for assessment by us. We do not charge for our services.

Beneficiaries: 'People with disabilities or health problems'

Objectives: 4. The organisation's purpose is to promote the objects of the Riding for the Disabled Association incorporating Carriage Driving (Company No 5010395) a charity registered under Charity Number SC039473 (?the Company') by providing disabled people with the opportunity to ride and/or to carriage drive to benefit their health and wellbeing in the Perth & Kinross area.

Geography

- **Main operating location:** Perth And Kinross
- **Geographical spread:** Wider, but within one local authority area

Chair's Report
Breadalbane & District Riding for the Disabled
a Scottish Charitable Incorporated Organisation : Scottish Charity No. SC047991
ANNUAL GENERAL MEETING
Monday 17th November 2025

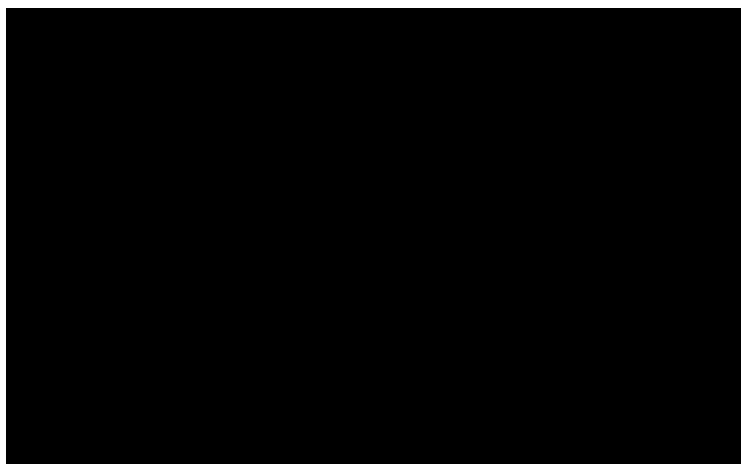

- 1. Our Riders:** both our summer & autumn terms have seen the maximum capacity of riders participate in each of the 3 sessions – a total of 12 riders during the morning, with an occasional extra rider sharing a session. The riders have coped with a variety of weather conditions during both terms without letting it affect their enthusiasm for attending. Several new riders have joined us this year and we now recruit from Dunkeld, Logierait, Pitlochry, Blair Atholl, Grandtully and Aberfeldy schools. The feedback from school staff and parents has been very heartening; we are told that for some of the pupils the riding session is the only time they seem to be truly happy and relaxed or display really positive behaviour. Physical improvements are also evident for some children and all have made progress with their riding skills. An increase in the numbers of children selected by their schools for social and emotional support needs, as opposed, for example, to physical disabilities, has been noted and coaches and volunteers have had to adapt their care of the children to accommodate this. One or two new activities and new approaches to the riding exercises have helped to keep sessions varied and interesting and provide progression routes for more established riders. The use of the RDA Proficiency Tests/Achievement levels have encouraged riders to work on their riding skills and pony knowledge and certificates were awarded at the close of the summer term. Coaches are careful to allow all riders to progress at their own pace and address individual needs along the way. Ensuring all the children feel safe, enjoy their riding and have fun whilst learning are essential elements to every session. Allowing time to enjoy the close proximity of the ponies after riding is also beneficial for the children. The end of term games were a great way to consolidate the riders' learning and all children received a rosette to reward their achievements.
- 2. Our Ponies & Facilities:** We were hugely relieved to gain a fourth pony again this year, entirely due to the generosity of the owners of Sakela, who transport their beautiful Haflinger mare to the yard. Her size (15.1hh), strength and temperament ensure she is an excellent mount for our riders, especially for some of our older/heavier children. The three ponies at Knockdarroch continue to provide us with a reliable and much-loved equine team. We are very aware of the age of the ponies and can only hope that their fitness and availability remain for next year's riding. Sourcing suitable equines in sufficient numbers is also a challenge for many RDA groups around the UK. The riding arena and yard facilities and the site for our storage shed at Knockdarroch have remained available to us and we are indebted to the owner.
- 3. Our Volunteers:** our committed and hardworking volunteers are just as essential as the ponies, although they do eat more cake! We were delighted to welcome 4 new volunteers this year and they have all proved to be invaluable to ensuring we can deliver safe and enjoyable riding sessions. Each week can bring new challenges and the teamwork, skills and commitment ensure these are overcome. Training sessions in the Spring, and ongoing training during the weekly sessions, ensure we keep our skills and knowledge up to date. Two of our coaches had their one and three year assessments in the autumn term and passed with flying colours. The coaches work together to assess the pupils, create session plans and allocate volunteers to the weekly rota. All the coaches attended the regional group's annual gathering and training session in March, an invaluable event for standard setting, problem solving, legal and health and safety compliance. Our Secretary and Treasurer do all the essential work required to manage the group and comply with Scottish Charity law. The Board of Trustees meet regularly and share many of

the tasks essential to keeping the group financially viable and compliant. The Board will be losing at least two members at the AGM this year – their many years of commitment to the group have been highly valued and will be very much missed – and new trustees will be eagerly welcomed. All volunteers in the group, whatever their role, give their time and energies willingly and have created a friendly and rewarding working environment. We are always ready to welcome more volunteers and our ongoing recruitment endeavours will continue next year.

4. **Fundraising and Publicity:** our three main fundraising events of the year – The Thrift Shop, Aberfeldy Show & Games and the Pitlochry Games – were very successful, both financially and for awareness raising for the group’s services. However, as the accounts reflect, our annual operating costs are not quite covered by the income from these events, which is a concern. Our current financial position is strong due to a healthy reserve, accumulated mainly from the generous donations from previous years and prudent expenditure. The Board is aware that this position could change rapidly and is working on the development of new sources of funding and improving the income on existing events. Our Treasurer sourced a mobile card reader to facilitate payments at fund raising events and it has already proved a real asset. A great deal of time and effort is required to make a success of the fundraising activities and the Board encourage all volunteers to get involved and help where they can.

My sincere thanks are extended to all our volunteers in whatever capacity for everything they do to keep the group afloat and ensure we fulfil the group’s mission. I have appreciated everyone’s support, enthusiasm and friendship over the year and look forward to next year’s challenges.

6. All assets are shown at their historic cost.
7. Assets written down as asset reached end of usable life

Independent Examiner's Report to the Trustees of the Riding for the Disabled Association, Breadalbane and District Group, SCO 47991

I report on the accounts for the charity for the year ended 31 March 2025

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- To keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- To prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
