## **Objectives and Activities**

### Charitable purposes

To provide social and educational care facilities for children of primary school age, including children with additional support needs, after school, during school holidays and in-service days.

### Happy Times Out of School Club aims to:

- Provide a safe, caring, nurturing, fun, child led environment
- Provide an inclusive environment where all children feel valued and supported
- Promote positive behaviour and friendships
- Provide play opportunities that promotes all children's confidence and self-esteem, stimulates their interest and imagination
- Ensure all children can express their individuality
- Work in partnership with parents/carers and have an open door policy
- Provide a staff team that evaluates and reflects on their work practices to ensure the needs of all children and parents/carers are met

### **Activities**

The out of school club operates for children from 3.15pm to 5.45pm during term time and from 8am to 5.45pm during school holidays and in-service days. Varied activities are provided to encourage development and stimulate the children's imagination in a nurturing environment.

The club has daily access to the school playground and gym hall for indoor and outdoor physical play. There are various activities on offer throughout the sessions including arts and craft, baking, board games, sensory/messy play, outdoor play etc. The club also has visits from outside agencies including animal handling and sports coaching.

During school holidays and in- service days the children can benefit from trips out in the local community including walks to the local parks, visits to local museums, science centre, trampoline centre etc. Breakfast and snacks are provided for children attending during school holidays and in-service days. Snacks are provided for children attending the after school provision.

## **Structure, Governance and Management**

### **Constitution**

The charity is a Scottish Charitable Incorporated Organisation (SCIO). It was registered in its current legal form on 23 January 2018. The charity was previously an unincorporated association but changed to its legal form to a SCIO. The assets of the unincorporated association were transferred to the SCIO on 23 January 2018.

### **Appointment of Trustees**

The management committee, which meets approximately six times per year, are the charity's trustees. Membership of the management committee is open to all parents/carers of children using the service. Trustees are elected at the annual general meeting. There must be a minimum of four trustees and a maximum of eight trustees. There was no treasurer appointed for part of this financial year.

### **Management**

The management are responsible for the strategic direction and governance of the club, whilst day to day management is delegated to the club manager, who is a paid member of staff. The club also employs several support workers. The club manager attends the trustee meetings to give a report and to discuss progress and development of the club. The trustees are aware of their responsibility for the overall Health and Safety, especially for all the children attending. In addition to comprehensive insurance, all staff are recruited under a strict vetting policy, all have enhanced disclosures (PVG) which are renewed every 3 years and are required to meet the regulations for Scottish Social Services Council (SSSC) registration.

### **Achievements & Performance**

This year the club manager and staff team have worked extremely hard to ensure that the service is inclusive for all children and expanded the provision to include more children with additional support needs. Due to funding from the Early Adopter Project the club has been able to replace and update resources and furniture, making the environment more inclusive and child friendly.

The staff team are committed to developing their own knowledge and skills and have undertaken relevant courses and SVQ training, therefore, ensuring that the children's differing needs and preferences have been catered for through a fun packed activity programme.

The children have enjoyed various outings over the summer to Ryze, V&A Dundee, Science Centre, visiting local parks using public transport, as well as many, many activities held within the club premises.

The management committee would, therefore, like to express their thanks to all the staff for their efforts, enthusiasm and commitment over the year.

## **Financial Review**

The principal funding source for the charity this year was from Dundee City Council via the Early Adopter Communities project. This project is a key element of the Scottish Government's School Age Childcare Transformational Change Programme and aims to design and build a system of school age childcare that provides care all year round and supports parents and carers, particularly on low incomes, to have secure and stable employment.

The other main source of income was through the fees received from service users. All receipts this year were unrestricted and totalled £168,310.78.

Payments for the year totalled £120,415.62. The Club's income less expenditure for 2024/2025 showed a surplus of £47,895.16.

## **Reserves Policy**

The trustees policy is to maintain reserves at around two months of expected running costs to meet commitments and cover any unexpected expenditure. While running costs have increased significantly this year due to the increased intake, particularly for children with additional needs, due to the additional funding, at the end of the year, reserves were £57,785.60. Even with higher monthly running costs this is above the target range.

## **Future Plans**

The trustees, along with the club manager and staff team plan to continue to develop an inclusive service that provides a safe, welcoming and nurturing environment for the benefit of children across the city of Dundee. The club is currently in discussions with the headteacher of the school to take over the breakfast club later in the year.

**Declaration**

Signed on behalf of the charity trustees:
