Report of the Trustees and Financial Statements For the year ended 31 March 2025

The trustees have pleasure in presenting their report for the year ended 31 March 2025.

Objectives and activities

Stenhouse Baptist Church is referred to within this report as "the Church". The Church is affiliated to the Baptist Union of Scotland (the BUS), and is established as a Scottish Charitable Incorporated Organisation (a SCIO). The Church's two charitable purposes are: the advancement of Christian religion; and the advancement of community development/community engagement. There have been no changes to the charitable purposes since the last annual report.

Achievements and Performance

Community Development

This year saw a continuation of our community work in partnership with Bethany Christian Trust in the form of the *Lunchtime Plug In* - offering IT support and a weekly free lunch in response to the ongoing cost-of-living crisis.

We have been pleased to engage with the local primary school to help run assemblies, and we have been delighted to welcome new volunteers and groups to visit our Good Roots community garden.

In partnership with the Community Council we also ran various events at Christmas time, including a community *Switching On* (Christmas lights) event with roughly 100 people in attendance despite the rain. Similarly, we partnered with the Community Council to run events at Easter, and continue to partner with many other local organisations.

During the year we also launched *Canvas*, which is a new monthly initiative to build on relationships with women in the community, providing space for reflection and discussion over arts and crafts.

Finally, the *Tea 'n' Tots* baby-parent group, which is open to all parents and babies/toddlers, has been in high demand, and we have also continued *Tuesdays Together* - a fortnightly drop-in for primary school families.

Advancement of Christianity

Our congregation in Stenhouse Baptist Church continues to thrive and grow, with people of many ages and backgrounds joining us for worship and bible studies. The weekly teachings are also made available through our YouTube channel.

In May '24 we went on our first weekend away together to Scoughall in East Lothian. In 2024 we also relaunched our Christian youth work activity with a fortnightly meeting.

To cope with the increasing number of children, we employed a new member of staff in July 2024 to assist with our children and family work.

A number of our congregation have also been pleased to volunteer at Stenhouse Primary School, Tynecastle High School and Edinburgh Prison for Christian outreach and education, including running a *Prison Alpha* course, and we are grateful to each of them for their welcome.

Financial Review

Overall, there was a surplus of £33,512 for the year (2024: £8,652). There was a surplus on unrestricted funds of £33,446 (2024: £15,066), of which £9,106 related to net lease income from letting the Manse (2024: £8,907).

The finances of the Church continue to be very healthy, which enabled us to employ a second member of staff during the year.

Reserves policy

The trustees are conscious of the need to maintain reserves sufficient to enable the Church to pay debts as they fall due whilst not accumulating more funds than are necessary. The recently updated policy is to hold no less than the average expenditure for six months, plus enough to cover any potential redundancy costs. Based on these accounts, this equates to £79,252 (2024: £81,438).

At the end of the financial year there are £147,787 of unrestricted funds (2024: £114,341). The reserves are currently high but are expected to be required to fund potential future staffing appointments, and to address future expansion.

Taxation

The Church is a registered Scottish charity and is recognised as such by His Majesty's Revenue and Customs for taxation purposes. Accordingly, the Church is exempt from tax on income and gains to the extent that these are applied to the charitable objects. No tax charges have arisen in the charity.

Structure, governance and management

The Church was registered as a SCIO as of 9th February 2018, and was established to replace Stenhouse Gorgie Baptist Church (SC021259).

The Church has a written constitution which has been approved by the Church members and by the Office of the Scottish Charity Regulator (OSCR) who have a copy of the constitution.

Our AGM for this period took place on 6th June 2024. The members approved our finance report, and the trustees were re-elected.

Recruitment, appointment induction and training of trustees

Trustees are democratically nominated and elected from the membership on an annual basis on the votes of the Church members, or by appointment by the board of trustees.

The present trustees hold the building for the use of the congregation. The trustees are responsible for dealing with Church property and are the custodian trustees in terms of the SORP (Statement of Recommended Practice).

The trustees and staff are considered to have the necessary skills and attributes to fulfil their roles.

The Church receives a range of willing, voluntary help, supported by the Church staff, without which many of its activities would be curtailed or impossible to run.

Risk management

The trustees maintain a Risk Register which is amended as risks are identified and managed and reviewed annually.

Financial Controls: the trustees ensure that suitable financial controls are in place.

Vulnerable Groups: The church operates a strict recruitment policy for all volunteers prior to involvement with children or vulnerable adults, and compliance is monitored. All individuals working with vulnerable groups are required to join the Protecting Vulnerable Groups (PVG) scheme.

Major Decisions: All major projects are discussed and approved by the trustees and the Church members in meeting prior to implementation.

Trustees' responsibilities statement

The trustees are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charity and Trustee Investments (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 11th August 2025 and signed on their behalf by:

Independent Examiner's Report to the Trustees of Stenhouse Baptist Church

I report on the accounts of the Church for the year ended 31 March 2025 which are set out on pages 6 to 10.

Respective responsibilities of trustees and examiner

The Church's trustees are responsible for the preparation of the accounts, which have been prepared on a receipts and payments basis in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

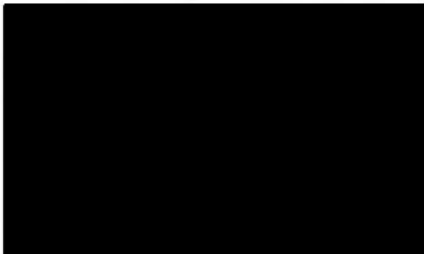

Independent examiner's statement

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Since the start of 2023, HMRC have been deducting payroll tax quarterly in arrears. At the end of the current financial year the balance outstanding, to be paid in April, was £2,242 (2024: £1,556).

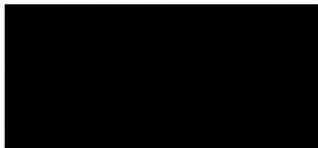

The Church is organising a weekend away for its members in September 2025 (post year-end) for which £280 was received in the current financial year (2024: £1,340), which is effectively deferred income.

1 Accounting policies

The principle accounting policies, all of which have been applied consistently throughout the year, are set out below.

a) Basis of preparation

The financial statements have been prepared on a Receipts and Payments basis, with income and expenditure being recognised as and when paid or received.

b) Fund accounting

Unrestricted funds are general funds that are available for use at the trustees' discretion in furtherance of the general objectives of the Church.

Designated funds are unrestricted funds earmarked by the trustees for specific purposes.

Restricted funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose by the donor.

The Church has had no designated or endowment funds during the financial year, but did receive restricted funds in relation to maintenance and development of a Community garden (Good Roots), and contributions towards the costs of running Connect. Only income and expenditure in relation to those areas is considered restricted, with all other income and expenditure being unrestricted.

c) Income received

All income is included in the Statement of Receipts and Payments when the income has been received.

Note that receipt occurs when funds are physically received, not when the funds appear on a bank statement.

All Gift Aid recovered on a donation forms part of that gift, and is an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

d) Expenditure

Expenditure is recognised in the Statement of Receipts and Payments when the expense has been paid.

Note that payment includes the issuance of a cheque, and so payment is registered at the point a cheque is issued, not when the funds have cleared the bank.

e) Value Added Tax (VAT)

The Church is not registered for VAT and accordingly expenditure includes irrecoverable VAT where appropriate.

f) Pensions

The Church operates a defined contribution scheme for applicable members of the Church staff. Contributions are charged to the Statement of Receipts and Payments as they are paid.

The Church had a weekend away for its members in April 2024, and is planning another one for September 2025 for which £280 was received in the current financial year (2024: £1,340).

In April 2023 the Church received a grant from McDonald's towards promoting eating healthily on a budget in the midst of a cost of living crisis. This money funded the purchase of equipment to run a cookery course.

The Church received grant payments from both the Vardy Foundation and the Baptist Union of Scotland to help enable the church to employ an Outreach Worker (██████████). Those funds were therefore restricted. This appointment concluded in February 2024, at which point the funding from the BUS ceased. Funding from the Vardy Foundation covered the first 2 years of ██████████ employment, and ceased in June 2023.

In August 2023 the Church received a grant from One City Trust towards development of the Community Garden to make it accessible to wheelchair users, and to fund the salary for a part-time co-ordinator.

In December 2023 the Church received a grant from Big Hearts towards running community coffee mornings during the festive season.

6 Payments (continued)

The payment to Renew was simply a transfer of the charity seed funding which was paid into the Church's bank account in 2023 because Renew did not have a bank account of its own at that time.

Good Roots expenditure rose in 2024 resulting from the use of grant funding in order to make the garden wheelchair accessible. There were no new grant funds in 2025.

Spending on training and conferences was higher in 2024 due to payments relating to T Dean's sabbatical.
