## Objectives and activities

The groups objectives are to work as closely as possible with Council to ensure the Cemetery is kept to an acceptable standard . While the responsibility for all major works within the Cemetery are always the councils , the Friends volunteers work away in the background ensuring that the cemetery is a welcoming and calming area for all visitors , through keeping it tidy and colourful with various plants and flowers in the designated areas for this .

## Achievements and performances

In a time where it's hard to get people to volunteer due to other pressure and strains in life , we are delighted to have welcomed three new members to our committee .

The main message for the new members was to give time when they can , because the smallest amount of time given , can make the most difference.

The Cemetery and the Memorial garden remain being kept to the best standards possible from our dedicated volunteers and many compliments are passed by the Community and visitors to the areas on how comforting that these sensitive areas for people , are kept this way .

## Performances

Hard working volunteers who care for the area , continue to perform vital volunteer work , providing colour and care through nature , which is vital for the Cemetery and memorial garden

In the course of my examination, no matter has come to my attention

- Which gives me reasonable cause to believe that in any material respect the requirements:  
to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and  
to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations  
  
have not been met, or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
